Mrs. J. W. Logan and son left Monday morning to attend the Seventh Day Adventist camp meeting, which is to be held at St. Johns, beginning the twenty-eighth.

Work has begun on the road between the depot and Scio, which looks good to everyone who is anxious that the road should be in fine condition by the time of the fair.

The Republican Candidates. Scio entertained the Republican candidates of Scio was entertained by them, on last Monday evening. Socially they are a very pleasant bunch.

The speaking occurred at the Wesley-Cain hall, with Dr. A. G. Prill as master of ceremonies.

Assessor D. B. McKnight gave a very interesting talk concerning methods of logging properties and how railroads and timber lands had been raised in valuation to a more equitable assessment, as compared with farm property. He also showed how disastrously to the farmer the adoption of the proposed single tax law would be.

Messrs. Upmyer and porter, candidates for the legislature, made short speeches. Strange to say, they never mentioned Statement No. 1. They evidently, did not care to talk about that matter before a Scio audience.

All of the other candidates on that ticket were present and made short speeches, save Commissioner Butler and Representative Brown.

The audience, owing to a show being in town, was small. Music was furnished by the Wesley orchestra.

A Milk Condensery.

Last week a representative of the Rogers Co. manufacturers of milk condensing machinery, visited our city and conferred with our citizens. He has just installed a very successful plant at Amity, which is now turning out a quantity of condensed milk. Learning the amount of milk tributary to Scio he advised that what he called a 5-foot pan outfit would be necessary to take care of our milk product. The cost of an outfit of this dimension would be laid down in Scio, approximately \$25,000. Of course this is lots of money out the profit as he represented, would be correspondingly large, amounting, say on 30,000 pounds of milk daily after deducting all expenses, buying the milk and placing it in a condition ready for market, the profit would be from \$250 to \$300 per day.

If this is the correct showing, Scio could undertake no enterprise that would be equal to it. It would make

everybody connected with the enterprise, rich in a few years.

Have Returned.

Messrs. Charles and John Wesley and W. Eckert returned from their trip to Mexico last Monday night. They report a most enjoyable trip as a whole. Their object was to visit a mine in which themselves and a number of other Lin County people are interested. The mine is located at a distance of 200 miles from the city of Mexico. They inspected the mine thoroughly and to their complete satisfaction. They found it even better than it had been represented. With good paying mines in every direction from it and with the ledge growing wider and richer as the shaft is being sunk, these gentlemen return with the opinion very firmly fixed in their minds that they will, some day, become millionaires. It is said Mr. Charles Wesley developed into a first-class masher, while he was gone.

All Lin County Band.

Arrangements are being perfected whereby an all Lin County band will supply the music for our fair next fall. The matter has been placed in the hands of Mr. Dell Burkhardt, of Lebanon, who is an accomplished band director, who is selecting the best musicians to be found in Lebanon, Brownsville, Albany, Jefferson, Silverton and Scio to compose the band. Music for the occasion will be supplied to each of these musicians, who will practice it separately. When they gather at the fair all will be able to take up the music at sight and play it harmoniously together. The plan of selecting a band in this way serves a double purpose. It brings the best musicians of the county together, thus insuring a first-class article of music and interests each locality in the fair. All will desire to hear the Lin County Band at the Lin County Fair.

A Birthday Party.

On Wednesday May 17, Mr. and Mrs. G. G. Garland gave their son Francis a party in honor of his 17th birthday. Social games were played by the young people, while the older ones enjoyed the occasion in social converse. At 12 o'clock refreshments were served and at 3 o'clock all departed for their homes.

Those present were: Mr. and Mrs. H. G. Bulrite and little daughter, Mr. and Mrs. Jeff Hannah and two children, Misses Daisy and Lillie Davenport, Ethel Craft, Myrtle and Annie Pitchford, Lois Compton, Lucretia Rhoads and Messrs. Marion and Carson Davenport, Rial, Orin and Will Hasler, Willie, Hickory, Dick and Holt Craft, Alva Rockwell, Martin Stopke, Ollie Morgan, Roy and Rex Peery, Ally Plummer, Clarence and Glad Compton and Meret Aunsbaugh.
