John Wesely made a short visit to Portland, last Friday, in the interest of the base ball team.

Harvest is somewhat later in the South end of the county, than in this locality, this year.

Dr. T. K. Sanderson will be absent from his office from Saturday, Aug. 29 to Tuesday, Sept. 1st.

Mrs. Lillie Hibler and children, of Seattle, is visiting her parents Mr. and Mrs. M. C. Gill, of this city.

We make a specialty of dairy supplies. If we do not have what you want we will get it. Chas. Wesely.

T. K. Sanderson, dentist, Scio Oregon All classes of dentistry. Office between the livery stable and harness shop.

The paint brush is still being kept busy in Scio. Mrs. C. A. Knuff is the latest to have her residence painted.

We have a full line of Wall Paper, Carpets, Paints, Oils, Sash, Doors, a Glass. Give us a call. Chas. Wesely.

T. A. Richardson's elegant new dwelling in the Northwest part of town, is now about inclosed. During the building the Richardsons are enjoying tent life.

Ira A. Phelps who recently sold the Harrisburg Bulletin to Mr. Morgan, expects to remove to Portland and, probably, start a job printing office there.

Everybody should attend the ball game next Sunday. The Fairmounts of Salem, expect to do our boys up. Come out and lets make the furore a big one.

Clover fields are unknown in the South end of Linn county. Apparently the value and profit of clover has not been discovered by the farmers in that locality.

Edward Hoffman and wife of The Dalles, an employe of the O. R. & N., is taking a part of his lay off in visiting E. C. Peery, a brother of Mrs. Hoffman, of this city.

Albany's new depot is now about enclosed. When completed Albany will have a station building to be proud of and Brother Nutting, of the Democrat, will have one subject less about which to growl.

Owing to the fact that a very large number of both saddle and harness race horses are now at the Fair Grounds and more are yet to come, the management gave the order, Wednesday, for the construction of 15 additional box stalls.

Dr. Sanderson will go to Portland tomorrow. Rumor and certain nicely printed cards we have seen, indicate that he will not return alone. The lady who will return with him will have the legal right to use the broomstick, when necessary. We congratulate you Doc.

That Scio is a better wheat market than most any of the other towns of the central Willamette valley, is indicated by some farmers, who are properly within the territory of other towns, are bringing their wheat to the Scio mills. As a rule wheat is worth from three to five cents per bushel more in Scio than in Albany or Jefferson.

The finishing touches to the Fair Grounds are being made this week. While there is much that we would like to do for the comfort and pleasure of visitors, the lack of the one thing needed prevents. The management feels gratified that it has been possible to accomplish what has been long and we sincerely trust our visitors will remember that this is our second year and will make themselves as comfortable and happy as possible. The success and extent of the fair depends entirely upon the patronage of the people. We can only assure that a fair deal will be given to all and that all judges of exhibits are nonresidents of Scio or vicinity. So come one and all and lets make our second annual fair a splendid success.

Scio Plays a Shutout Game.

Scio can play ball; That is to say the young men who constitute our ball team are players and who have developed an unusual amount of skill at the great American game. There are a number of young men down at Portland who imagine they can play ball too. Well they can some; but not so well as our local team.

Several weeks ago one of the Portland bunches came up to teach our boys points in the game. Well, they did. Scio learned so rapidly that the "Scionians" returned to their homes a sadder and wiser bunch. The score that day was Scio, 6, Spantons 3. Another bunch which hailed from Clackamas, a Portland suburb, tried our boys, a week or two later. They returned to their homes without ever having reached the home plate. The official score was Scio 18; Clackamas 0.

Last Sunday Portland went up against Scio for the third time. The players wore across their breasts "Gold Seal." This bunch expected to win from the Scios easily. In fact they expected to seal up any aspirations which the Clackamas might have, so completely that we would never again make any serious pretensions of being bad players. Well, they didn't. Scio refused to be "sealed." In fact they indulged in the real business to some considerable extent themselves. The score sheet provided a story that those young Scios do not like a little bit; for like the Clackamas bunch, they were compelled to go home scoreless, while Scio had crossed the home plate six times.

The score by innings was as follows:

1	2	3	4	5	6	7	8	9
Gold Seal	0	0	0	0	0	0	0	0-0
Scio	2	0	1	1	1	0	0	1-6

Batteries—Gold Seal, Broughton and Duncumb; Scio—Sherman and Hudson. Umpire—P. H. MacDonald.

WEST SCIO ITEMS.

Mr. and Mrs. Roe Phillips spent a day in Albany recently.

The R. B. men have dug a new well at the depot. It was badly needed as the water in the old well was very poor.

F. Winston came up from Portland last Saturday night to visit his parents Mr. and Mrs. J. E. Weston.

The families of L. George and I. R. Kistler with their friends from Portland, visited Seaside recently and enjoyed the trip immensely.

L. Logan is in Portland on a business trip. He is expected to return about September first and begin building his residence soon after.

Miss Fannie Hoffman is visiting Mrs. Roe Phillips.

Mr. Charles Dudgeon, a mail carrier of Portland, is visiting over Sunday with his wife and family who are spending a month or so with her parents Mr. and Mrs. Paul Tompkins.

FAIR GROUND NOTES.

There are now as we go to press over 25 head of running and trotting horses at the Fair grounds.

A sprinkle wagon was put to work wetting down the track, on Thursday evening.

Race and harness horses from California, Roseburg, Salem, Silverton, Independence and Condon besides a number of local horses will compete for prizes.

There will not be a shortage of sand-wich stands on the grounds, this year. Seven or eight have taken out concessions already and there are, probably, more to come.

A rest tent has been provided for this year.

Stock stalls now occupy about all of the available room on the East and South side of the grounds. Another year will require the building of a large barn.

Arnold's merry-go-round and shows were being installed at the grounds on Thursday.

No Paper Issued Next Week.

Owing to the fact that the editor of the News will be occupied at the Fair Grounds, during next week and the office force desire to attend the Fair as well, this paper will suspend issue for one week.

Our issue of September 11 will contain a full and complete story of the races, premium awards and other Fair matters of interest. If you are not a subscriber or wish to send this Fair number to your friends, leave your order with the editor at the secretary's office in the pavilion.
