

To Build You Up for Spring

Begin taking Hood's Sarsaparilla today. It will do you good. The heavier living and closer confinement of the winter, the effects of colder, damp, changeable weather on the pores of the skin, and the harder work of this season are probably telling on you.

Hood's Sarsaparilla, taken just now, will give your system just what it needs and must have, and will help you over this hard spot—the rough ground, as it were—and quite likely save you from a serious illness later.

"A stitch in time saves nine" is a wise old saw; therefore, don't wait, but begin to take Hood's Sarsaparilla now. It purifies and enriches the blood, restores the appetite, and gives health and strength.

It effects its wonderful cures, not simply because it contains sarsaparilla, but because it combines the utmost remedial values of more than 20 different ingredients, each greatly strengthened and enriched by this peculiar combination. These ingredients are the very remedies successful physicians prescribe for the same diseases and ailments.

Begin taking Hood's Sarsaparilla today. Get it in the usual liquid form or in chocolate tablets known as Sarsatabs. 100 Doses One Dollar.

RAILWAY DEMONSTRATIONS.

Every Safety Device Known Will Receive Test at I.-Y.-P. Exposition.

Seattle, March 22.—Actual demonstrations of every railway safety device, approved and unapproved, will be made daily in the transportation building and yards of the Alaska-Yukon-Pacific exposition, which will open on June 1 in Seattle.

The transportation building is now being hurried to completion and tracks, spurs, switches and "Ys" are already laid for the most complete exemplification of general and special railway traffic ever attempted on the grounds of an exposition.

So desirous were Eastern locomotive builders of taking advantage of reaching the Oriental field through the medium of the Seattle fair, that they provided the major portion of the \$75,000 which the construction of the transportation building has cost, in order that the structure should be of ample size for their most complicated illustrations.

Locomotives of all makes and all periods will be exhibited. Everything, from the old "hay burners" of the cotton belt, to the big transcontinental mogul will be shown under full steam.

A modern passenger train, equipped with the latest work in Pullman service, lights, brakes and wireless alarms will be a daily show.

The electric end of transportation will be given as complete exhibition as its rival. A fully equipped modern trolley, as well as a new underground trolley, which it is claimed, does away with all previous objections to the underground system, will be displayed in operation.

Every known farm vehicle, reapers, stackers, harvesters, plows and all else, even to the harness for the horses, will be shown and the big traction harvesters found working throughout the West, will have a place, with all of their latest improvements.

FOOD SUPPLY AFFECTED.

French Telegraph Strike Continues and Famine Threatens.

Paris, March 22.—The government issued a reassuring statement tonight concerning the strike, in which the situation was said to be notably improved, many of the strikers, especially the telephone girls, having returned to work. The strike leaders, on the other hand, were loudly proclaiming war to the hilt, and there are disquieting rumors of railroad and other co-operative strikes.

Disclosures in connection with the strike indicate that the abuses and favoritism charged have been largely due to the fact that politics have had much to do with the administration of the post and telegraph service.

The lack of food in the capital, an outcome of the impossibility of forwarding payments, is making itself felt today, and provision dealers declare that if there is no improvement in the city in a few days probably will be confronted with famine conditions. The loss to business in Paris alone is variously estimated at from \$600,000 to \$1,200,000. Only a few wires today connect Europe Paris with and the outside world.

The government has formally notified the strikers that 48 hours of grace will be allowed them to return to work, after which their dismissal will be irrevocable.

NEW JAP CRISIS IN SOUTH.

County Officials in California Try to Collect Poll Tax; Strike Snag.

Oxnard, Cal., March 22.—Serious labor trouble is threatened in the beet fields here over the situation created by the attempt to collect a county poll tax from the 450 Japanese living in Oxnard and employed in the beet fields. This attempt, after they had paid the city tax in this city, caused great resentment. The sheriff and deputy assessors in many instances seized horses and goods owned by the Japanese and later forced them to pay under threats of selling their property.

Some of the Japanese have already left for other parts of the state where Japanese labor is in demand, leaving the beetgrowers in serious straits for laborers.

Tonight the sheriff and assessor say it is probable the county will recede from its position and return the money collected.

Bill Cuts Drinking Time.

Salt Lake City, March 22.—Both branches of the state legislature today passed a bill regulating the sale of liquor. The bill gives to all counties local option and to cities of 12,000 population or more a separate vote. Saloons are to be open only from 7 a. m. until 7 p. m., except on Saturday, when the hours shall be from 7 a. m. to 6 p. m. Special elections on the question of local option are to be held on petition. It is believed that the bill will receive the signature of Governor Spry.

Half Billion in Subways.

New York, March 22.—The remarkable scope of Greater New York's plans for providing adequate transportation facilities is indicated in a statement issued here today, which shows that the expenditure of nearly \$500,000,000 is contemplated. Of this amount nearly \$400,000,000 is included in projects for tunnels and subways. Work involving a fourth of this total will probably begin before the end of the present year.

Jap Ships Plan Voyage.

Tokio, March 22.—Two ships of the Japanese training squadron, leaving Yokosuka on March 14, will visit various points on the Pacific coast during the spring and summer. The vessels are the cruisers Aso and Soya.

Don't Poison Baby.

FORTY YEARS AGO almost every mother thought her child must have PAREGORIC or laudanum to make it sleep. These drugs will produce sleep, and A FEW DROPS TOO MANY will produce the SLEEP FROM WHICH THERE IS NO WAKING. Many are the children who have been killed or whose health has been ruined for life by paregoric, laudanum and morphine, each of which is a narcotic product of opium. Druggists are prohibited from selling either of the narcotics named to children at all, or to anybody without labelling them "poison." The definition of "narcotic" is: "A medicine which relieves pain and produces sleep, but which in poisonous doses produces stupor, coma, convulsions and death." The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cordials," "Soothing Syrups," etc. You should not permit any medicine to be given to your children without you or your physician know of what it is composed. **CASTORIA DOES NOT CONTAIN NARCOTICS**, if it bears the signature of Chas. H. Fletcher.

Letters from Prominent Physicians addressed to Chas. H. Fletcher.

Dr. J. W. Dinwale, of Chicago, Ill., says: "I use your Castoria and advise its use in all families where there are children."
Dr. Alexander E. Mintie, of Cleveland, Ohio, says: "I have frequently prescribed your Castoria and have found it a reliable and pleasant remedy for children."
Dr. J. S. Alexander, of Omaha, Neb., says: "A medicine so valuable and beneficial for children as your Castoria is, deserves the highest praise. I find it in use everywhere."
Dr. J. A. McClellan, of Buffalo, N. Y., says: "I have frequently prescribed your Castoria for children and always got good results. In fact I use Castoria for my own children."
Dr. J. W. Allen, of St. Louis, Mo., says: "I heartily endorse your Castoria. I have frequently prescribed it in my medical practice, and have always found it to do all that is claimed for it."
Dr. C. H. Glidden, of St. Paul, Minn., says: "My experience as a practitioner with your Castoria has been highly satisfactory, and I consider it an excellent remedy for the young."
Dr. H. D. Benner, of Philadelphia, Pa., says: "I have used your Castoria as a purgative in the cases of children for years past with the most happy effect, and fully endorse it as a safe remedy."
Dr. J. A. Boardman, of Kansas City, Mo., says: "Your Castoria is a splendid remedy for children, known the world over. I use it in my practice and have no hesitancy in recommending it for the complaints of infants and children."
Dr. J. J. Mackey, of Brooklyn, N. Y., says: "I consider your Castoria an excellent preparation for children, being composed of reliable medicines and pleasant to the taste. A good remedy for all disturbances of the digestive organs."

something to have a telephone with which to call on Neighbor Smith "for a lift" before the storm breaks. The Rural Telephone pays for itself each year and we have brought the initial cost within the reach of every farmer. Present prices are especially favorable and thousands of Farmers' Mutual Companies are now organizing so as to build their lines this Spring. Write us to-day.

Want a Telephone?

If you do you can get it. If you are anxious to get into closer touch with your friends, with the family doctor, with the store, with the post office, or with the cotton buyer, you can do it with a telephone at hand. If you want to make the farm a more livable place, if you want to protect your home, you can do it by installing a telephone.

If you will cut out this advertisement, write your name and address on the margin and mail it to-day to our nearest house, we will send you at once a copy of our Free Bulletin No. 112 on

"How to Build Rural Telephone Lines"

This Bulletin explains clearly how a rural telephone system is built and operated, and it also contains full information as to costs.

In a Farmer's Mutual Company a few day's labor and a cash investment of about \$25. per subscriber, will purchase all material and build an absolutely standard system.

A Rural Telephone is an investment, not an expense. The telephone which enables you to sell ten bales of cotton at 3¢ cent per pound more than the traveling buyer offers you, has paid for its entire cost. If you have some hay down all ready to go in, it is worth while to call on Neighbor Smith "for a lift" before the storm breaks.
