Shyne—Not quite, but we're training down to it. Week before last we lived on chuck steak. Last week we bought nothing but beef hearts and kidneys. This week we are eating pickled tripe. Next week we'll be ready to tackle anything.—Chicago Tribune.

"They don't give me a fair show," complained the ambitious young Congressman. "The speaker hardly ever recognizes me and if I make a motion it either isn't seconded or fails to carry."

Parks in New York.

The State of New York is very well supplied with parks. In his recent message Governor Hughes said: "The State's total holdings in the Adirondack and Catskill mountains now amount to 1,641,523 acres, of which 52,549 acres were required during the past year. The area of the proposed Adirondack Park is 3,313,564 acres, and that of the proposed Catskill Park 576,120 acres, making a total of 3,89,684 acres.

When it is completed the Adirondack Park will be larger than the Yellowstone, which has 2,142,170 acres.

Pleasures of Wisdom.

"Your boy likes to go to school better than he used to," said the relative.

"Yes," answered Mr. Bliggins. "He's getting old enough to enjoy learning a lot of things so that he can come home and dazzle me with his superior knowledge."—Washington Star.

The Youngest Admiral.

Captain David Beatty will shortly have the distinction of being the youngest rear-admiral in the British navy. His forthcoming promotion at the early age of thirty-eight has been the subject of a special Order in Council.

To qualify for promotion under the regulations a captain must have served during peace time for a total period of six years. The Admiralty petition sets forth that, owing to the abnormal shortening of the time on the captains' list, it is anticipated that Captain Beatty will reach his turn for promotion before he completes the full period of six years.

It is also pointed out that he was severely wounded in action in China, and was consequently prevented from receiving an appointment for a considerable period.

In these circumstances the Order directs that Captain Beatty shall be promoted to flag rank in his turn, notwithstanding the regulations.

Captain Beatty is an Irishman. His wife is a daughter of an American millionaire, the late Marshall Field, founder of the great dry goods store in Chicago.

Nelson was promoted to the rank of rear-admiral in his thirty-ninth year.

Well He Knew.

Emperor Francis of Austria and his empress once attended the performance of a play which abounded in political allusions. On leaving the theater he remarked good-naturedly, "We may congratulate ourselves on having seen the piece at all, for I am sure that it will be speedily forbidden."

Stomach Ills May Seem Trifles

At the start, but that is when you want to take the matter in hand. Neglect can only result the one way—sickness. The stomach is largely responsible for one's health and strength and as such it needs to be kept in a normal condition. If it becomes weak, the food remains undigested, ferments and causes untold suffering. Thus you lose the strength-giving properties of your food and you become weak and run down. This is very noticeable at the beginning of Spring when the system is overloaded with Winter impurities, the bowels clogged and the blood thick. No wonder you have the "Spring Fever." Commence taking Hostetter's Stomach Bitters this very day and cleanse the entire system. Then your Stomach Ills will also vanish. It is for Sick Headache, Indigestion, Dyspepsia, Spring Fever, General Debility and Malaria.

KASPARILLA

This sterling household remedy has long been recognized as the best and safest Blood Purifier, the most successful prescription for spring humors and such disorders of the blood as boils, pimples, pustules, blotches, sores and cutaneous eruptions. Kasparilla is admitted to be the best remedy for that lack of energy and the peculiar debility so prevalent during the close of winter and the opening of spring. For derangements of the digestive organs it is a natural corrective, operating directly upon the liver and alimentary canal, gently but persistently stimulating a healthy activity. Its beneficial influence extends, however, to every portion of the system, aiding in the processes of digestion and assimilation of food, promoting a wholesome, natural appetite, correcting sour stomach, bad breath, irregularities of the bowels, constipation and the long list of troubles directly traceable to those unwholesome conditions. Kasparilla dispels drowsiness, headache, backache and despondency due to inactivity of the liver, kidneys and digestive tract. It is a strengthening tonic of the highest value.

A Clever Stroke.

Turning defeat into victory is the achievement of genius. This example, gleaned from the London Daily Mail, illustrates the adroitness with which it is sometimes done.

An eminent lawyer was once cross-examining a very clever woman, mother of the plaintiff in a breach-of-promise action, and was completely worsted in the encounter of wits. At the close, however, he turned to the jury and exclaimed:

"You saw, gentlemen, that even I was but a child in her hands! What must my client have been?"

All Through With Him.

The professional point of view is rarely one of the humanitarian. A passenger on a London omnibus, says a writer in Sketch, calls out to the conductor:

"'Ere, there! Whoa! There's an old chap fallen off the bus!"

"All right!" responds the conductor, cheerfully. "'E's paid his fare."

Mining has always been the traditional industry of Mexico because of the rapidity with which fortunes were made. The recent depressions in this industry have brought agriculture to the fore.

Non-alcoholic Sarsaparilla

If you think you need a tonic, ask your doctor. If you think you need something for your blood, ask your doctor. If you think you would like to try Ayer's non-alcoholic Sarsaparilla, ask your doctor. Consult him often. Keep in close touch with him.

Ayer's We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor.

Ask your doctor to name some of the results of constipation. His long list will begin with sick-headache, biliousness, dyspepsia, thin blood, bad skin. Then ask him if he would recommend your using Ayer's Pills.
