PREVENTION THE BEST SAFEGUARD

If for any cause the horse or other domestic animal exhibits a lack of energy, proper relish for food, or an appearance of general debility, timely action should be taken for the restoration of its health. In the natural food of our domestic animals Nature provides certain peculiar medicinal herbs, leaves, barks and roots which seem necessary for their health. **Pacific Stock Food** in greatly condensed form is intended to supply the essential virtues of those health-giving natural remedies and is prepared expressly for those animals deprived by man of their natural food. It is an alterative tonic which stimulates the various organs of the body, promotes the secretions, tones up the general system and restores the disordered conditions to a normal state. It stimulates the appetite, improves the digestion and assimilation of food, purifies the blood and insures a good, healthy condition. Booklet free.

MEAN TRICK.

The Boy—Please, c'n I get off this afternoon? Me mother's sick an' there ain't no one to watch th' house an' take care o' th' baby.

The Boss—Certainly, my lad. It's a shame, too—I was going to give you my ticket to the ball game.—Cleveland Leader.

Fired His Ambition.

Philanthropic Visitor (at jail)—What started you on a career of crime, if I may ask?

Prisoner—Readin' the confessions of a reformed burglar, in one of the magazines. When I found out how easy it was to burgle I went at it myself.

What Ailed It.

"I wish you would tell me what the trouble is with this watch," said the customer, handing it to the jeweler.

"The trouble," said the jeweler, looking at the number of the timepiece and referring to his ledger, "is that I haven't been paid yet for the cleaning I gave it two years ago."

PIMPLES

"I tried all kinds of blood remedies which failed to do me any good, but I have found the right thing at last. My face was full of pimples and black heads. After taking Cascarets they all left. I am continuing the use of them and recommending them to my friends. I feel fine when I rise in the morning. Hope to have a chance to recommend Cascarets."

SURGERY "DON'TS."

Don't treat children's troubles lightly; their trials are as big to them as those of grown-up people. Don't fail to instill a deep sense of kindness to dumb animals—a cruel boy generally makes a cruel man. Don't neglect an untruth or dishonorable action—teach your children to face these out and it will make them courageous. Don't encourage whining or tale-telling. Don't lose your children's confidence—try to live close to their hearts.

Select.

Once when passing through a cemetery in Lenox Elliot Gregory was surprised to see that the members of an old New England family had been buried in a circle, with their feet toward its center. He asked the reason for this arrangement and a wit of that day, daughter of Mrs. Stowe, replied: "So that when they rise at the last day only members of their own family may face them!"

The production of sand and gravel in the United States in 1903 was 37,215,644 short tons, valued at \$13,270,932, a decrease of 4,432,574 tons in quantity and of \$1,222,937 in value over 1902.

Usual Way Wanted.

As the train neared the city the colored porter approached the jovial-faced gentleman, saying, with a smile: "Shall Ah brush yo' off, sah?"

"No," he replied; "I prefer to get off in the usual manner."—Princeton Tiger.

Not Her Way.

Elderly Relative—Lucy, you surely don't think of marrying Geoffrey to reform him!

Miss Lucy—Gracious, no, auntie! I'm trying to reform Geoffrey in order to marry him, and I'll either succeed in doing it or I'll break his neck!

It Cures While You Walk.

Allen's Foot-Ease is a certain cure for hot, sweating, callus, and swollen, aching feet. Sold by all Druggists. Price 25c. Don't accept any substitute. Trial, package FREE. Address Allen S. Olmsted, Le Roy, N. Y.

To Be Sure.

Young Wife—Gregory, dear, what is the trouble?

Worried Husband—Nothing, Mills; nothing—except that I've lost the combination of the lock on the office safe.

Young Wife—Is that all, dear? Why, you can advertise for it, can't you?—Chicago Tribune.

Victims of a Deception.

"Birds and beasts, you know, children," remarked the Sunday school teacher, "have no souls, as you have. When they die, that is the last of them."

"If that's so," queried Tommy Tucker, "what will the Indians go to the happy hunting grounds do for game?"

Mothers will find Mrs. Winslow's Soothing Syrup the best remedy to use for their children during the teething period.

New York's First Ferry.

Cornelius Dirksen was the first official ferryman on the Island of Manhattan. The mooring place on the Manhattan side was about where Water street crosses the present Peck slip. He started the system in 1637. Passengers who wanted to be rowed over blew a horn for the skipper if he chanced to be absent when they arrived. From Dirksen's skill grew the present ferry system of the city.

Higher Authority.

"John, you don't have to hurry to get into the car just because the guard said 'step lively!'"

"It wasn't the guard, Maria, and he didn't say 'step lively!'" He said 'step lively, there, dang yes!'"

"Impossible!"

"Not at all impossible. I keep half a dozen hens."

The Important Problem

confronting anyone in need of a laxative is not a question of a single action only, but of permanently beneficial effects, which will follow proper efforts to live in a healthful way, with the assistance of Syrup of Figs and Elixir of Senna, whenever it is required, as it cleanses the system gently yet promptly, without irritation and will therefore always have the preference of all who wish the best of family laxatives.

The combination has the approval of physicians because it is known to be truly beneficial, and because it has given satisfaction to the millions of well-informed families who have used it for many years past.

To get its beneficial effects, always buy the genuine manufactured by the California Fig Syrup Co. only.

Many Women who are Splendid Cooks

dread having to prepare an elaborate dinner because they are not sufficiently strong to stand over an intensely hot coal range. This is especially true in summer. Every woman takes pride in the table she sets, but often it is done at tremendous cost to her own vitality through the weakening effect of cooking on a coal range in a hot kitchen.

It is no longer necessary to wear yourself out preparing a fine dinner. Even in the heat of summer you can cook a large dinner without being worn out.

New Perfection
WICK BLUE FLAME
Oil Cook-stove

Gives no outside heat, no smell, no smoke. It will cook the biggest dinner without heating the kitchen or the cook. It is immediately lighted and immediately extinguished. It can be changed from a slow to a quick fire by turning a handle. There's no drudgery connected with it, no coal to carry, no wood to chop. You don't have to wait fifteen or twenty minutes till its fire gets going. Apply a light and it's ready. By simply turning the wick up or down you get a slow or an intense heat on the bottom of the pot, pan, kettle or oven, and nowhere else. It has a Cabinet Top with shelf for keeping plates and food hot, drop shelves for coffee, teapot or saucepan, and even a rack for towels. It saves time, worry, health and temper. It does all a woman needs and more than she expects. Made with 1, 2, and 3 burners; the 2 and 3-burner sizes can be had with or without Cabinet.
