place to go, else they can stay at home  
and work.

John Simanek has just purchased a  
complete threshing outfit from the firm  
of Korinek & Mielke, of Stayton.  
The outfit is manufactured by the  
Advance thresher company and consists  
of engine, seperator, wind stacker  
weigher and sacker. Frank Mielke and  
Clifford Harold unloaded the outfit at  
West Scio, Tuesday.

Albany has had her first serious  
trolley car accident. Monday afternoon  
Ed Tubbs, a cornet player of the  
Arnold show band, while marching in  
parade when the band was playing,  
was overtaken and run down by the  
trolley. The motorman supposed Tubbs  
would step out of the way, which he  
failed to do for some cause. Before  
the car could be stopped, the unfortun-  
ate man was run down and the car  
had passed over him. The left leg was  
crushed, an arm broken and serious  
injury to other portions of the body  
resulted. Tubbs was taken to the  
hospital and the injured leg was am-  
putated and the other injuries attended  
to. The injury may result fatally.
