The Albany Democrat says that blind pigs are becoming less numerous in that city. Ferhaps some of them have been made to open their eyes.

Have you noticed those little red books "When you were born" series. Just the thing for "Character Reading Parties. For sale by C. G. GOUGH.

When the condensery puts in a cooling plant, a little more expense would install an ice plant. Why not help the people keep cool as well as the milk?

The Scio Milk Condensery is now enjoying a period of rest. The company shuts down for the purpose of installing a cooling plant and to make such repairs as a constant run of nearly two years requires. This is the first shutdown the company has made since the plant was started.

T. D. Woolley and two other gentlemen, of Portland, were exhibiting a Coin Changing machine, which is the result of the inventive genius of Thomas Bilyeu, a former Scio boy. Without attempting to explain the intricacies of the machine, The News is of the opinion that it is something which will, rapidly, come into general use and be o gerat value to any business which requires rapid changing of money.

Come to Heyne's for hot drinks and andwiches.
