UMC .22 CARTRIDGES

The straight shooting, hard-hitting, sure-firing 22's.

The reason why UMC .22 Cartridges are the best is that they are made with precisely the same care, the same tested materials and undergo the same rigid safeguards, as the heavier calibre, big-game-shooting UMC ammunition.

UMC .22's are also made with the heavy hollow point bullets, thereby increasing their shocking and killing power over the old solid bullet.

Greatest Cane-Sugar Grower.

It may surprise many to learn that India is the greatest cane-sugar producing country in the world, the country's crop amounting to 4,000,000 to 5,000,000 tons. Notwithstanding this fact, its sugar market has been captured first by the beet sugar and later by cane sugar from Mauritius and Java.

IN LATE WINTER AND EARLY SPRING
We seldom feel JUST RIGHT

At such a time KASPARILLA is the best and safest Blood Purifier, the most successful prescription for spring humors and such disorders of the blood as boils, pimples, pustules, blotches, sores and cutaneous eruptions. Kasparilla is admitted to be the best remedy for that lack of energy and the peculiar debility so prevalent during the close of winter and the opening of spring. For derangements of the digestive organs it is a natural corrective, operating directly upon the liver and alimentary canal, gently but persistently stimulating a healthy activity. Its beneficial influence extends, however, to every portion of the system, aiding in the processes of digestion and assimilation of food, promoting a wholesome, natural appetite, correcting sour stomach, bad breath, irregularities of the bowels, constipation and the long list of troubles directly traceable to those unwholesome conditions. Kasparilla dispels drowsiness, headache, backache and dizziness due to inactivity of the liver, kidneys and digestive tract. It is a strengthening tonic of the highest value.
