Yield of One Pennsylvania Oak. The largest oak tree in Huntington township, Adams county, was cut last week on the farm of John R. Sadler. HAVE THEIR OWN SYSTEMS

Business Secrets That Seem Unimportant, but Are Guarded With Much Jealousy.

"Since I began to meet people who won't let anybody see how they do a thing because they have a secret method which they are not ready to divulge just yet I have been like a crazy woman," said the housekeeper. "There are plenty of those budding geniuses doing odd jobs about town. One of them came to our house the other day to mend a suitcase. It was an easy job. He could have taken the thing into the storeroom and mended it in half an hour, but instead of that he insisted upon taking it home. He had a secret process for doing things like that, he said, and preferred not to work where anybody else could find out how he did it."

"While my curiosity over the suitcase was still seething a woman who is quite handy at draughting patterns stirred it still more by refusing to cut out a waist pattern at my house because she has her own method of cutting that she isn't ready to advertise just yet."

"Right on the heels of that a carpet renovator was proof against all blandishments to come to the house to take spots out of a rug. He has a cleansing formula which he will not take chances on giving away by doing work outside of his own shop, so the rug went to him."

The other day a man came around to fight water bugs. In a sense I had him at my mercy because he couldn't take the bugs home, but he did the next best thing and ordered me to stay out of the kitchen while the process of extermination was going on. Was the process dangerous? I asked. "No, it wasn't dangerous, but it was a secret which he didn't wish to reveal, not even to an innocent housekeeper like me."

"And so they come and go through all the trades, every man studying out a system better than anybody else's. When all those geniuses let their ideas loose upon the world something like a revolution ought to take place."

Prayer Unanswered. It had been raining all day and little Mark, shut up in the house, was anxious to get out and play. His mother, in another room, thought that she heard him talking, and presently inquired to whom.

"I was talking to God, mamma," the child replied. "I asked Him to make it stop raining so I could go outdoors, but—I don't think He was very polite about it. He never let on that He heard me at all!"

Only a Temporary Advantage. The gift of good looks is of such primary advantage to every man, that it seems a wonder how ugly people manage so frequently to excel those who have it in the battle of life.—Payne.

Prize Horsehoe Collection. On the walls of the old castle at Oakham, England, is a great array of horsehoes. Every peer of the realm visiting the town of Rutland gives a horsehoe, and many of these shoes have histories.

Dictionary's Defect. The occupant of the fourth floor flat was looking through the pages of the dictionary the agent was trying to sell him. "No," he said, closing the book and handing it back, "I don't want it. It's 20 years behind the times. It defines 'janitor' as the 'care-taker' of a building. He's the care-maker!"

To Mend Tablecloth. To repair a tablecloth lay it quite flat with the hole uppermost and cover it with a piece of plain Brussels net, tack it on and darn with fine flax. Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

Take the Game Seriously.

Girls play a strenuous game of hockey in Australia. In a recent game between the Waratah and Thistle clubs the casualties were one finger broken and another severely crushed, an eye blackened and a face irretrievably damaged, a knee bruised and shin cut so badly that the blood saturated a boot, several mouths cut and a number of shins sliced through shin pads.

Takes the Right View.

Don't go through life looking for trouble, for faults, for failures, for the crooked, the ugly and the deformed; don't see the distorted man—see the man that God made. Just make up your mind firmly at the very outset in life that you will not criticize or condemn others or find fault with their mistakes and shortcomings.—Orison Swett Marden.
