Loss in Heating Value of Fuel.
Recent tests of the loss of heating value of coal in storage indicates that it is so small that it is hardly worth consideration. Illinois coal put to the test at the University of Illinois lost less than 1 per cent. in the course of a year, but the most serious matter is the loss by fire from spontaneous combustion and the breaking up of the coal into small particles so that the loss by dust is a matter of some moment.

Ideals Always Important.
It is by believing in, loving and following illustrious ideals that a man grows great. Their very impossibility is their highest virtue. They live before us as the image of that which we are to grow for ever.—Stopford Brooke.

Keep the Voice Modulated.
A loud voice is praiseworthy in the crainman, the cattle herder, the orator, who harangues a crowd on the Fourth of July, but it is unnecessary and unseemly in the successful business man, or in the guest at the house of a friend. Modulate your voice.

Sympathy Begets Sympathy.
In life, in school, in society our personal enthusiasms and mental desires will attract from others that which will satisfy them, and will draw unto themselves the best from other minds. No one learns without first wishing to learn—that is certain. That no sympathy is gained without a like gift is almost as equally sure. Indifference never can accomplish this.

Constipation

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets, and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you, I am free from all that this morning. You can use this in behalf of suffering humanity." R. F. Fisher, Knoxville, Ill.

SYSTEM FULL OF URIC ACID—THE GREAT KIDNEY REMEDY CURED
Two years ago I was very sick after being treated by several of the best physicians in Clinton, I did not seem to get any better. I was confined to my bed. Seeing your Swamp-Root advertised, I resolved to give it a trial. After using it for three weeks, I found I was gaining nicely, so I continued until I have taken a number of bottles. I am now restored to health and have continued my labors. My system was full of uric acid, but Dr. Kilmer's Swamp-Root cured me entirely. I am sixty years old.
Yours very truly,
W. C. COOK,

American Knee Bends Only to Two.
When the czar of Russia was the most conspicuous personage in Europe a visitor at Washington was relating how strangers to the czar knelt in his presence. On finishing the story the speaker remarked to Senator Newton: "I suppose, colonel, that you would not think of kneeling to the czar?" Boston instantly replied and with tremendous emphasis: "No, sir, no sir. An American kneels only to God and woman, sir."

You will sneeze; perhaps feel chilly. You think you are catching cold. Don't wait until you know it. Take a dose of Hamline's Wizard Oil and you just can't catch cold.

Strong Reasoning Faculties.
Behold a conductor making his way through the car, curiously scrutinizing every one's feet. He looks puzzled and finally holding up a lace half shoe with a laced garter in place around it, calls out, with a broad grin, grinning widely: "Sure, will the person with a wooden leg please claim this?" All the women in the car nervously pull their skirts still further down, and the men put away their newspapers.—New York Press.

Constipation causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets. The favorite family laxative.

Humor of the Wag.
"Yes, he's a very merry wag," says the Cleveland Plaindealer. "The last time he went to Mexico his wife asked him to bring back some of the embroidery work for which the country is famous. When he reached home he handed her a box containing a half dozen human teeth. 'Mercy,' she cried, 'What's this?' 'Mexican drawnwork,' he trippingly replied."

Perrin's Eye Salve FOR ALL SORE EYES

All He Could Carry.
An Atlanta man not long ago met a darky who was driving a horse so thin that it staggered as it walked. "Why don't you put more flesh on that nag?" indignantly demanded the Atlantan. "Seuse me, boss," replied the driver. "But I doin' de best I kin. Can't yo see, boss, dat po' hons kin hardly carry what little flesh he's got on him now?"

Mounds Over Chinese Graves.
There is no market for American made metal monuments in China for the simple reason that the Chinese do not use monuments for marking graves. The coffin is interred about one foot below the surface and over it a mound is raised, its size depending upon the rank of the family and its feeling toward the departed member.

TO CURE A COLD IN ONE DAY.
Take LAXATIVE BROMO Quinine Tablets. Coughs and colds disappear. E. W. GROV'S signature is on each box. 25c.

Unavoidable.
A correspondent writes to correct a story printed in the Cleveland Plain Dealer several days ago. "In the snake story I sent you," he complains, "you made one mistake. I told you that the snake was 20 feet long and you had it only ten feet long." The editor says he is very sorry, but the error was unavoidable. "We were very much crowded for space when we used the story and we had to cut everything down."

Knew Him as a Clean-Cut Man.
An applicant for citizenship went with a citizen before Judge Chatfield in the United States district court in Brooklyn. "Are you sure this man will make a good American?" asked the court of the witness. The witness was sure. "Why?" asked the court. "Because," answered the witness, "I have shaved him for ten years."

Aid for Near-Sighted.
A German inventor has devised what he calls telescope eyeglasses. They are intended for the use of short-sighted persons by the very simple means of enlarging the image on the retina. They are especially designed for that class of near-sighted people who cannot wear the ordinary simply corrected glasses.

Mothers will find Mrs. Winslow's Soothing Syrup the best remedy to use for their children during the teething period.

The Brain's Eye.
R. W. Doane, in Medical Record, states that "eye" really exists in the brain. It is, in fact, a very compound thing, a subconscious brain judgment involving many other organs than the actual anatomical eyes. It involves knowledge, experience, very largely the sense of touch, and sometimes the sense of hearing or smell.

Wise Pig.
A farmer of Delaware has a pig that ought to be in a circus. To obtain apples the pig, starting some distance from a tree, runs, jumps into the air, and, catching a limb in its mouth, hangs on and shakes down the fruit.

Seek and Find the Cure.
There is a cure for every ailment. Remove the cause. A buggy won't do anything but jerk and its wheels can do nothing else than scrape so long as the brake is on. Throw off the brake and you will go some.

Discouraged

The expression occurs so many times in letters from sick women, "I was completely discouraged." And there is always good reason for the discouragement. Years of pain and suffering. Doctor after doctor tried in vain. Medicines doing no lasting good. It is no wonder that the woman feels discouraged. Thousands of these weak and sick women have found health and courage regained as the result of the use of **Dr. Pierce's Favorite Prescription.** It establishes regularity, heals inflammation and ulceration, and cures weakness.
