Last Monday Roy McDonald and Miss Ethel Wallace drove over to Albany. Miss Wallace failed to return, that is to say, wearing her parental name. She and Roy formed what is in called big business parlance "a merger."

They were married at the First M. E. church, Rev. Gordon officiating. They returned to their home in Scio, situate at or near the north end of Main street, where they are now at home to their friends.

Clean Up.

It is the time of year when the winter's garbage should be disposed of, to make our city, not only more pleasing to the sight but, also, for sanitary reasons. In order that a united effort may be made along this line, I have been requested to set some date, to be known as "CLEAN UP" day. I, therefore designate Friday, May 5, as the day on which to dispose of such materials as would cause our city to be unsightly or unsanitary. Let all material which can be burned, be disposed of in this manner. Other refuse, such as empty cans and bottles, if placed in the streets or alleys in boxes or barrels, will be hauled away free.

E. C. PEERY, Mayor.

Raisin Day April 29

The above date has been set apart by the people of California in which all are asked to join by eating raisins in the form of raisin bread or in whatever form is desired.

The object of this special day is to create a wide spread raisin sentiment that will result in a greater demand for that fruit, and to direct the attention of all good house wives to the excellence of the raisin as an article of food.

The good people of the Northwest are invited by their neighbors to participate in the pleasant custom and "Break" raisin bread on April 29.

When a Man Buys Clothes

He goes to the store in which he has the greatest confidence. He does not judge stores by what they claim to do, but by what they do do. He goes to the store that he has learned always gives all or more than they promise. While some stores are always promising unheard of values, it is quite often the case that some other store not claiming so much, is really giving better values. While we believe in advertising, we know that men judge us mostly by what we do, and hence we depend upon real, genuine value-giving, to get our customers, and keep them. When in Albany you are welcome to come to our store for a place to be at home. We are anxious for the particular young fellow, the slim young man, the fat man all who seem to have a hard time to set clothes to fit and suit, to come to us, as our store is the largest south of Portland, and none there are better.
