Did it Ever Occur to You

That perhaps you are making a mistake by not getting our prices before buying lumber, sash, doors, lime, cement, plaster, etc., somewhere else? You are old enough to know that there's a lot of difference in the quality of every one of these articles, just the same as there is in tea and coffee. And that there's always more or less difference in the prices, too. Then, as you can always get the most and best here, at the lowest prices, why aren't you making a mistake by not buying here. From where we sit, it looks like you were passing up a good thing.
