time a meeting of dairymen will be held to organize an association.

An apple tree near Albany has been sold for \$600. It is everbearing, maturing fruit at all seasons of the growing period, with buds, blossoms and apples on the tree at the same time. A nursery company has bought the tree and will try to establish a new everbearing variety.

Eugene will hold its biggest apple show on November 3 and 4, the coming exhibit throwing all previous shows far in the shade. The annual fruit exhibition is growing all the time in importance because of increasing orchard acreage around Eugene, and this year the festival will take on more than local interest. Prizes have been offered that make it an object for fruit growers to compete.
