**Woodpecker's Hearing.** It is not easy to explain why woodpeckers select one tree rather than others of the same kind in the forest upon which to begin their operations, or why they attack one side of a tree and leave the other untouched. Commonly it will be found, no doubt, that worms or ants are concealed beneath the point selected and that the woodpecker is guided in his search by the sense of hearing.

**Woman's Age.** A few years ago after a woman had passed thirty-five she was relegated to the fire-side and she looked and felt old. She lived in her memory, and all the money that was spent for little frills and follies was given to her daughter; for mother, all was over. Suddenly woman awakened to the fact that after thirty-five she is at her best, and that her beauty need not fade unless she wishes it.—Home Life.

# THINGS WORTH KNOWING

When cane seats are relaxed turn the chair upside down, pour boiling water over it, scour in hot soapsuds and rinse again in boiling water, when the cane should be found to have contracted.

A polish that may be used for floors and furniture is made of equal parts of vinegar, boiled linseed oil and methylated spirits. Where the polish has worn off this renews it, and when it is well rubbed in it gives a brilliant surface to the floor.

If the painter has left marks of paint on the floor apply to them a paste made of equal parts of lime and soda moistened with a little water. Leave this, apply very thickly, for 24 hours, then wash it off and the stains will be found to have disappeared.

**Got Any?** The fall of the year always lays a special strain upon the nation's financial resources. For not only is there the money needed to move the crops, but also those great rolls of bills which prudent men, in putting away their light clothing, do not forget to forget in the pockets thereof, in order that they may come joyfully to light next summer.—Puck.

If you use Eye Salve use the best. **PETIT'S EYE SALVE** is the standard, reliable and costs no more than inferior goods that are unknown. Used by Physicians and Oculists, helps where all others fail. It is not the TUBE or BOX that cures, it is the SALVE that does the work. Sold by Druggists throughout the known world.

**Her Natural Occupation.** Now and then the childish comment goes right to the heart of a difficult problem or situation. A little boy who longed to stand on the seat of a car and look out of the window was sternly reproved by his mother. "What a 'frail-cat mamma!' exclaimed another youngster, seated near. "Yes, I suppose she is nervous," was the adult reply, "but then, you see, she has to take care of her little boy and it keeps her busy." "Well, isn't that what she's for?" was the innocent, pertinent question.

**SEVEN YEARS OF MISERY**

**How Mrs. Bethune was Restored to Health by Lydia E. Pinkham's Vegetable Compound.**

Sikeston, Mo. — "For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I had cramps, backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband's told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do all my own housework, work in the garden and entertain company and enjoy them, and can walk as far as any ordinary woman, any day in the week. I wish I could talk to every suffering woman and girl, and tell them what Lydia E. Pinkham's Vegetable Compound has done for me."—Mrs. DEMA BETHUNE, Sikeston, Mo.

Remember, the remedy which did this was **LYDIA E. PINKHAM'S VEGETABLE COMPOUND**. It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means have failed. Why don't you try it?

**Great Writer's Idea.** "There is an idea abroad among moral people that they should make their neighbors good. One person I have to make good: myself. But my duty to my neighbor is much more nearly expressed by saying that I have to make him happy if I may."—Robert Louis Stevenson.

**Mental Hurt Added.** What makes a sore toe hurt worse is for the man who steps on it to walk away without apologizing.

**Precept and Practice.** "Do you wish to go to church this evening? Father is going to preach, you know," the minister's fair daughter asked. The young man considered. "Um. The last time I went he rather fell on some of my small failings. Do you know what his text will be tonight?" "Yes, 'Love One Another.'" He regarded the rosy pink cheek approvingly. "Suppose," he suggested softly, "that we let the old gentleman go preach while we sit on the porch and practice?"
