The Ladies Sewing Club was entertained at the home of Mrs. Fred T. Bilyeu on St. Valentine's day. A very amusing feature of the afternoon was a sewing contest in which Miss Jessie Hibler of Seattle, a guest of the club, won the first prize and Mrs. C. A. Warner the consolation prize. After the contest the ladies were invited to the dining room which was tastily decorated with red hearts. The same idea was carried out in the luncheon, and violets were given as favors. After several selections on the piano, the club was invited to meet with the lady teachers at the home of Mrs. Edward D. Myers on Washington's birthday.

Cottage Grove correspondence in the Albany Herald says, wild strawberries are ripe, despite the fact that is only the middle of February. Hamilton Veatch brought in half a pint this week. These have been on exhibition and have attracted considerable attention. Every one of the berries is juicy and ripe. Mr. Veatch found them growing in his pasture, without any protection from the weather.

F. J. Denny who was in town on business Saturday was a pleasant caller at the News office. Mr. Denny is making some substantial improvements on his place this spring. He has eight thousand drain tile on the ground ready to lay which will make a string over a mile and a half long. He also contemplates putting in a private water system soon, to be operated with a pump and gasoline engine.

Calavan and Dr. and Mrs. Prill. That Scio is not without citizens who are prominent enough to get free press notices when they are abroad is evidenced by the following clippings from the Albany papers of last Monday: Democrat—Doug Hamilton returned to Scio, the fare being only 35 cents, where heretofore it cost him 45 cents. On the round trip he saved 20 cents, enough to take him to two moving picture shows. Herald—Doug Hamilton, a prominent resident of Scio, and member of the Linn county board of moving picture censors, returned home after passing on the films of the local theaters yesterday.
