Albany 8, Scio 1, is the way the score read at the end of the ball game played here Sunday afternoon. At the end of the 9th inning the score was 1 to 1, five more innings being necessary to decide the game, when the Albany boys got careless and run seven around to the home plate in the 14th.

The people of Scio and vicinity are at last congratulating themselves on having an agent at the West Scio depot who is courteous, gentlemanly and efficient, in the person of W. H. Speer who has been stationed at this point since some time in January. This is such a welcome change from some of the past experiences at this point that our people cannot refrain from an occasional comment on the subject. The News doesn't know whether Mr. Speer will thank us for putting him in the limelight or not, but we hope that the Southern Pacific will retain him as agent at West Scio for some time to come.
