Now is the time to get rid of your
rheumatism. You can do it by apply-
ing Chamberlain's Liniment and mas-
saging the parts freely at each applica-
tion. For sale by all dealers.

Spiritualists say Editor Stead is try-
ing to talk from the other world, says
an exchange. This is probably as Mark
Twain said about the notice of his
death, "greatly exaggerated." A news-
paper man does not know much, but he
can manage to keep his mouth shut
after he is dead—if not before.

Remember the brand—Golden Gate
Cement is the best in all the west.
Why not buy the best for less money

Take your lumber bills to N. I. Mor-
rison at his south side hardware store.
He can give you figures at my mill 3 1/2

Money has been raised by private
subscription to make a crushed rock
road from here to the depot at West
Scio. This will fill a long felt want, as
it is the most widely used of any strip
of road in this part of the country.
The work will be done this summer.

Give us the chance and we will save
you money. It is not an experiment
when you buy our goods for we carry
none but the best machinery, vehicles,
stoves, ranges, hardware, paints, oils,
varnishes, etc. Try us and be con-
vinced.—N. I. Morrison.

Lame back is usually caused by rheu-
matism of the muscles of the back, for
which you will find nothing better than
Chamberlain's Liniment. For sale by
all dealers.

The Capital Journal says—A card on
a bulletin board in front of a Salem em-
ployment agency reads: "Wanted—A
ladies companion for a gentleman's sis-
ter." This is somewhat perplexing and
can be figured out almost any old way.
It is in a class of its own and decidedly
unique—as much so in its way as the
want ad in a paper in a small city that
read: "Wanted—A sunny room by a
widow, with a southern exposure," or
that somewhat startling announcement
in a church festival program: "Miss
Jackson will sing 'Put Me in My Little
Bed,' accompanied by the minister."

Notwithstanding the rainy weather
last Sunday, a fast game of ball was
played at the Scio fair grounds between
Stayton and Scio. The local battery
held the visitors scoreless until the last
inning when the ball became so slick
that Condit, the local pitcher, was un-
able to hold it. The visitors annexed
three runs in this inning, being retired
with a runner on third, thus closing a
very close game. The final score was
Scio 4, Stayton 3, this making two out
of three games won by Scio from Stay-
ton. Scio secured four runs in the
early part of the game.
