A two carload lot of pile at the depot Monday was rather remarkable. Several of them were eighty feet long and one ten inches at the butt was only eight inches at the top, a variance of only two inches in eighty feet, as straight as an arrow. The pile was an Oregon product being shipped to California. —Albany Democrat.

Remember you do not have to pay \$75.00 for Disc Bowl as U. S. or DeLaval or Empire Separators nor do you have to send East for a machine to get it cheap. We can sell you a Sharpless Cream Separator, 450 lb. for \$40.00. Don't forget to call on us before you buy. —Chas Wesely.

A Good Position

Can be had by ambitious young men and ladies in the field of "Wireless" or Railroad telegraphy. Since the 8-hour law became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good change for advancement. The National Telegraph Institute of Portland, Oregon, operates under supervision of R. R. and Wireless officials and places all graduates into positions. It will pay you to write them for full details.

Notice to the Public

The two leading magazines of the Pacific coast, the Pacific Monthly and the Sunset, have been consolidated under the title of "Sunset the Pacific Monthly."

It is the intention of the publishers to spare no money nor effort to make Sunset—the Pacific Monthly a credit to the West and a magazine of national value and importance.

To introduce it to new readers, we will make the following special offer: Send 50 cents in stamps, and we will put your name on our subscription list for the next four months, and will send you free a copy of the superbly illustrated Mid-Winter number, and also the famous Sunset Indian poster, securely packed in a mailing tube. It will make a beautiful ornament for your front room or den.

Send your order to Fred Lockley, Northwestern Manager, Sunset—the Pacific Monthly, Portland, Oregon.

The Interlocking
U.S. Cream Separator
contains the four cream separator requisites in a degree unequalled by any other cream separator. They are close skimming, easy washing, easy running and durability. We offer to prove this right on your farm.

N. I. Morrison, Scio, Oregon

A POINTER FOR YOU

Always see what you are buying before buying it. If you wish to know before buying a bill of lumber that you are going to get the very best and the most your money will buy, don't make any mistake, but bring your bill to us. We preach quality because we buy a superior stock for our trade and want everybody to know that they can buy the best from us and that it will not cost any more than ordinary lumber elsewhere. Quality, Price and Service is our motto.
