J. B. Couey was in the first of the week with the glad hand. He tells us that the Italian prune crop will be almost a total failure here this year, but there are indications for plenty of French and Silver prunes. Similar reports are heard from other sections of the country.

"That Rascal Pat" at the High School Assembly Room last Friday night was a storm. It was the hit of the season and was played to a packed house. R. M. Cain as Pat would be a bread winner for most any theatrical troupe. In fact all are deserving of special mention. J. F. Wesely as Major Puffjacket, was cranky enough for any rich old uncle. Miss Brenner and John Sticha as Laura and Charles, lovers, were very lifelike, while Miss Cain was thoroughly at home on the stage in the character of Nancy. Specialties and orchestra selections helped to fill the interim before the play began very enjoyably. A neat sum was netted for the school fund.

Since the 8-hour law became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good change for advancement. The National Telegraph Institute of Portland, Oregon, operates under supervision of R. R. and Wireless officials and places all graduates into positions. It will pay you to write them for full details.

A POINTER FOR YOU

Always see what you are buying before buying it. If you wish to know before buying a bill of lumber that you are going to get the very best and the most your money will buy, don't make any mistake, but bring your bill to us. We preach quality because we buy a superior stock for our trade and want everybody to know that they can buy the best from us and that it will not cost any more than ordinary lumber elsewhere.
