The Rose show last Saturday was a very pleasant affair and brought out a good sized crowd as the weather was perfect. The drills, exercises, speeches etc. were all good and many beautiful flowers were exhibited. Next week we hope to give the complete premium list and winners. The ball game in the afternoon resulted in a score of 6 to 0 in favor of Mill City.

It is now well known that not more than one case of rheumatism in ten requires any internal treatment whatever. All that is needed is a free application of Chamberlains liniment and massaging the parts at each application. Try it and see how quickly it will relieve the pain and soreness. Sold by all dealers.

The Commencement exercises at the High School Friday evening brought out most of Scio. There were only two graduates this year, Herbert Blatchford and Ben Thayer, who had excellent orations. Short talks by E. C. Peery and Supt. Gooking were enjoyed, as well as the class address by Dr. Withycombe of Corvallis. Several musical numbers were also appreciated.

When your child has whooping cough be careful to keep the cough loose and expectoration easy by giving Chamberlains cough remedy as may be required. This remedy will also liquify the tough mucus and make it easier to expectorate. It has been used successfully in many epidemics and is safe and sure. For sale by all dealers.

The Clamans Co. played "Paid in Full" Saturday night to a large and appreciative audience, at Wesely-Cain hall. Scio is indeed fortunate in having such a company play here, as they are in every respect equal to many theatrical troupes that play the larger cities. The date of their next appearance here will be announced later, but will probably be in two or three weeks. "The Third Degree" will be the next play which they will present here, a drama that is too well and favorably known to need any comment from us. It is safe to say they will have a packed house.

A POINTER FOR YOU

Always see what you are buying before buying it. If you wish to know before buying a bill of lumber that you are going to get the very best and the most your money will buy, don't make any mistake, but bring your bill to us. We preach quality because we buy a superior stock for our trade and want everybody to know that they can buy the best from us and that it will not cost any more than ordinary lumber elsewhere.
