Dr A G Prill, ex-mayor and one of
Scio's most progressive citizens, has
presented the Albany commercial club
with another fine set of pictures of
mountain scenery in the Cascades east
of Albany, including a number of fine
views of Marion lake, which is rapidly
becoming one of Oregon's most popu-
lar mountain resorts. Dr Prill also pre-
sented the commercial club of this city
last week with a set of fine views of
the exhibits at the county fair recently
held at Scio, and these with the views
of the mountains are greatly appreci-
ated by the members of the club. Dr
Prill makes annual outing trips to the
lakes and other well known spots in
the Cascades and is a great lover of
outdoor life. Another pretty lake
which is located 2 miles east of Marion
lake and which the doctor has visited
for the past 8 or 10 years was recently
named Prill lake by S S Mohler, an em-
ployee of the government who has been
stocking all the lakes in the Cascade
mountains between Mt Jefferson and
the Three Sisters with trout this sum-
mer. The lake had never been named
before and will now be officially known
as Prill Lake, which is quite an honor
to the Scio physician.—Albany Demo-
crat.

in time become popular. That such is
the case with Chamberlain's Cough

best for coughs, colds and croup, and is

A POINTER FOR YOU

Always see what you are buying before buying it. If you wish to know
before buying a bill of lumber that you are going to get the very best
and the most your money will buy, don't make any mistake, but bring
your bill to us. We preach quality because we buy a superior stock for
our trade and want everybody to know that they can buy the best from
us and that it will not cost any more than ordinary lumber elsewhere.
Quality, Price and Service is our motto.

TYPEWRITERS GIVEN AWAY

The Emerson Typewriter Company of
Woodstock, Ill., have recently given
away over 400 of the highest grade,
wholly visible Emerson Typewriters
made in the world. They have gone
into every state and territory in the
United States. There may be some in
your town. They are giving them away
everywhere to men, women, boys and
girls, over 18 years of age, on surpris-
ingly liberal conditions.

If you could make any use of a \$100.
typewriter, providing it did not cost
you even one cent, then in a letter or
on a postal card addressed to Frank L.
Wilder, President, Woodstock, Ill.,
simply say, "Mail me all your Free
Offers," and by return mail you will
receive the Free Offers, the names of
over 400 who have recently received
typewriters free, and you will learn on
what easy conditions you can get one
of their typewriters free right away.

The Emerson Typewriter is one of
the highest grade, wholly visible type-
writers made in the world. Many who
have used the "EMERSON" and other
makes pronounce the "EMERSON"
superior to any \$100.00 typewriter on
the market. It is a wholly visible ma-
chine, has every new, up to date fea-
ture, looks like other high grade \$100.00
typewriters, though it is selling just
now at an astonishingly low price and
on terms of no money with order, trial
free in your own home. Nothing to pay
at first, and after a thorough trial, 10
cents a day until paid. The "EMER-
SON" has every new improvement,
universal keyboard, back spacer, tabu-
lator, two-color ribbon, everything the
best; is the ideal machine for beginners
as well as for the most expert typists
and stenographers; just the typewriter
for the smallest or largest office.

If you could possibly make any use
of a high grade typewriter, even though
it didn't cost you one cent of money, or
if you would like the agency in your
town on a plan by which you could
make big money, or if you would like a
position with the company, then be
sure, on a postal card or in a letter ad-
dressed to "Frank L. Wilder, Presi-
dent, Woodstock, Ill.," say, "Mail me
your Free Offers."

A Good Position

Can be had by ambitious young men
and ladies in the field of "Wireless" or
Railroad telegraphy. Since the 8-hour
law became effective, and since the
Wireless companies are establishing
stations throughout the country there
is a great shortage of telegraphers.
Positions pay beginners from \$70 to \$90
per month, with good change for ad-
vancement. The National Telegraph
Institute of Portland, Oregon, operates
under supervision of R. R. and Wire-
less officials and places all graduates
into positions. It will pay you to write
them for full details.

Each age of our lives has its joys. Old
people should be happy and they will be
if Chamberlain's Tablets are taken to
strengthen the digestion and keep the
bowels regular. These tablets are mild
and gentle in their action and espe-
cially suitable for people of middle age
and older. For sale by all dealers.

Lumber

No matter what you build we want
to furnish the lumber, rough or dressed.
Let us figure with you about prices and
terms of payments. We also handle
sash, doors, brick, plaster, and cement.
