## Possibly About You

We notice by some of our exchanges that the wife of C. W. Lowe, the optician, died last week.

"There could be no better medicine than Chamberlain's cough remedy. My children were all sick with whooping cough. One of them was in bed with a high fever, and was coughing up blood. Our doctor gave them Chamberlain's cough remedy and the first dose eased them, and three bottles cured them," says Mrs. R. A. Donaldson of Lexington, Miss. For sale by all dealers.

If you want to spend an enjoyable evening, don't forget to attend the moving picture show next Saturday night.

Chas. Chrz who was transacting business in Scio Monday, was a pleasant caller at the News office.

The boy's appetite is often a source of amazement. If you would have such an appetite take Chamberlain's tablets. They not only create a healthy appetite but strengthen the stomach and enable it to do its work naturally. For sale by all dealers.

Just arrived, a new line of Thanksgiving post cards at Sticha's Confectionery.

Word was received the first of the week by John Sims and wife from their son Elmo, stating that he suffered a fracture of one of his legs last Saturday. The young man has been working in a logging camp near Eugene.

"It is a pleasure to tell you that Chamberlain's cough remedy is the best cough remedy I have ever used," writes Mrs. Hugh Campbell of Lavonia, Ga. I have used it with all my children and the results have been highly satisfactory." For sale by all dealers.

Alfred Blatchford of Blatchford Bros., Shelburn, transacted business in Scio last Saturday. He informed the News that business is exceptionally good with them this fall. This seems to be the general complaint over the country.

Get one of Morrison's Heaters or Ranges if you want your wife to be happy and contented. If not get one of some other fellow. Morrison only keeps those that do the work, do it right, and at the right price.

Borovicka as a delegation to the Oregon Association of Cheese and Butter Makers which convenes at Albany November 17, 18, 19 and 20. The Crabtree Association will receive bids on the 16th from the various companies who wish to handle their cream for the ensuing year. **His Vain Regret.**  
 The first parents were leaving the garden together when Eve suddenly stepped behind Adam. "Age before beauty," she remarked, with more truth than modesty.  
 "Huh!" muttered Adam, with a boastfulness that was surprising. "If that order had been followed when the serpent was interviewed I bet we wouldn't be walking out now!"—Puck

**Not What He Expected.**  
 "Darling," he murmured, "whatever induced you to care for a fellow like me?"  
 "I really don't know, George," she replied. "Pa has threatened to send me to a brain specialist."—Boston Transcript

**Old Time Vintners.**  
 In the city of London at the time of King John every vintner was required to hang outside his shop an iron vessel with pegs marking the different quantities sold.

**Easy Prediction.**  
 "I have often predicted that my wife's hair would be nice and curly at night," said the clever one. "How did I know? Why, I saw it in the morning papers."

Every man has a right to judge one individual only, and that is himself.

## THE YOUTHS COMPANION FOR 1913

The Youths Companion appeals to every interest of family life. From house-keeping to athletics. It begins with stories of youthful vim and vigor, with articles which disclose the secrets of successful play in the great games, with charming tales of life at the girls' colleges. But The Companion does not surrender these readers when they have entered the more serious paths of life. Mothers will welcome the page for little children and the weekly doctor's article. Fathers will find the important news of the day as it is and not as it is rumored to be. The entire household will appreciate the sketches which touch gently on common foibles or caricature eccentricity. In short, for less than four cents a week the Companion brings into the home clean entertainment, pure inspiration, fine ideals, increase of knowledge.

Names rarely seen in tables of contents will be found in the Companion's Announcement for 1913, which will be sent upon request—with samples of the paper, to those not familiar with it.

Every new subscriber for 1913 will receive free all the issues for the remaining weeks of 1912; also free, The Companion Window Transparency and Calendar for 1913, in rich, translucent colors—the most beautiful of all Companion souvenirs.
