Mrs Overholts is visiting with her daughter Mrs Finley, who lives on Crabtree creek.

Paul Kreps is going to work in the Pritchard saw mill.

Frank Petrok has purchased the Pritchard saw mill and will take possession soon.

John Sandner has returned from visiting his old home in Wisconsin. He has some interesting things to say about his trip. He visited the Yellowstone Park and lost his provisions. The bears ripped off some boards of the shanty in which he and the guide were staying and left them nothing to eat. The animals in the park are quite tame.

There are many signs of improvements in these parts. Mr Sandner Jr has built a new house and barn. Ben Darby a fine new house, and Asa Hiron has one of the finest homes in the country. He has installed a complete system of water works on his premises. It is the compressed air system and the water tank supplies abundance of water for the house, stock and garden. Think of a school teacher owning a \$1500. automobile but Asa has one.

Grandpa Chrisman puts in his time visiting his children who live in different places.

Mr Henkel has opened a tailoring establishment in Stayton.

Mr and Mrs Dort will soon move into their excellent new home which is about completed.
