We wish to call your attention to the  
fact that most infectious diseases such  
as whooping cough, diphtheria and  
scarlet fever are contracted when the  
child has a cold. Chamberlain's Cough  
Remedy will quickly cure a cold and  
greatly lessen the danger of contract-  
ing these diseases. This remedy is  
famous for its cures of colds. It con-  
tains no opium or other narcotic and  
may be given to a child with implicit  
confidence. Sold by all dealers.

**Santiam Farm Topics**

Dean Turner returned home  
Thursday from a job of cutting  
Excelsior wood south of Albany.

Mrs Ramer is suffering with a  
cancer on her face which has  
troubled her for several years.

Uncle Tom Smail's gave a nice  
card party Friday night to a nice  
crowd who enjoyed themselves  
immensely until a late hour.

The smallpox patients at David  
Horsburgh's are slowly on the  
mend and will be out of danger  
in another week. It has been of  
the worst type of smallpox.

M C Gaines has had a time all  
the past week with a cold and  
sore throat which threatened to  
turn into a case of tonsillitis, but  
is now improving. He is feed-  
ing 25 fine steers for beef and it  
is quite a chore to feed them  
twice a day and be sick.

Our snow storm still hangs on  
to remind us of the old times in  
1860 when it was two feet deep  
and laid on till March. This is  
tough on the poor stock. Should  
anyone wish a little feed, I have  
ten tons of fine baled vetch straw  
well salted and clear of weeds at  
the Santiam Farm at \$5.00 a ton.

I see all the scarlet fever  
patients have recovered and are  
out of the quarantine.

Sunday was a noted day for  
duck hunters as the shooting was  
continual all day, also coon hunt-  
ing and chasing rabbits as all the  
boys and dogs were out for the  
time of their lives. Snow storms  
do not come very often in the  
valley.

Should any of your young  
ladies wish a life companion you  
should look a little after John  
Plumer's welfare as he is an old  
batch, of some 65 years and is  
quite skittish among the ladies.  
Should any of you tackle him it  
would be well to take along a few  
peanuts to quiet his nerves by  
giving one or two occasionally,  
when you will see him melt down  
like a snowball in the sun. Then  
give him a gentle stroke on the  
cheek and he will think all the  
pearly gates of Heaven are open  
then pop the question and you  
have him.

Prof Law has given up our  
school in Dist 77, and Miss Leone  
Montgomery will take up the  
work Monday morning. We will  
have a good school as Miss Mont-  
gomery is a fine experienced  
teacher and is well liked by all  
in the neighborhood.

As I am a great advocate of mineral  
water, I wish to mention Veronice, the  
Santa Barbara, Cal, medical spring  
water which I have been using the past  
three months, and I am frank to say I  
have never found anything its equal  
for all forms of stomach and liver com-  
plaints. I have been troubled for the  
past 20 years with stomach and liver  
disorders. I made a trip to Kreiten-  
bush hot springs which helped me won-  
derfully, and since returning home I  
have been using the Veronice water as  
directed, and I never felt better in my  
life. I now eat most anything I wish  
excepting bark. (No wonder the Pie  
Eater has had trouble with his stom-  
ach. We cannot at the present time  
recall ever having known anyone who  
was addicted to the deplorable habit of  
eating bark that did have a digestive  
apparatus to which he could point with  
pride on any and all occasions.—Ed.)  
I have every reason to believe it will  
cure any form of liver or stomach dis-  
orders. I think it is a God-send to the  
sick. If people would use it in place of  
so many poison drugs like I have done  
the past ten years, they would not have  
the blues, and despondent spells and  
want to commit suicide. A bad liver  
causes more trouble than all the rest of  
the running gears of the human body.  
Should you wish to try it, you will find  
it for sale at your druggists at 50c per  
bottle—cheaper than drugs, as it will  
cure you.

**UPPER THOMAS CREEK**

Upper Thomas creek has had  
an ample supply of snow for the  
past few days.

Mrs Francis Stillmacher is re-  
ported to have been on the sick  
list the past week.

School in district No 83 is pro-  
gressing nicely, Miss Burnice  
McDonald being the teacher. She  
is very enthusiastic having pre-  
pared five of her students for  
the eighth grade examination.  
They were: Conard Westenhous,  
Gladys Smith, Oda Clark, Elva  
Shindler and Walter Williams.

Mr and Mrs Z J Clark and  
family were called to Salem Fri-  
day by the death of Mrs Clark's  
mother, Mrs Dunsford.

Mr and Mrs Charley Hollis and  
family of Crabtree visited the  
former's brother, Bert Hollis and  
family at Jordan the latter part  
of last week.

Mr and Mrs Roy Aplet of  
Lyons visited at the home of  
Rev S B Cole last week.

Since the passing of the parcel  
post act our mail carrier, Mr  
Shelton, has been riding around  
in a fancy new mail wagon.

Mr and Mrs George Grimes of  
Jordan visited the former's par-  
ents, Mr and Mrs Solman Grimes  
of Shelburn a few days last week.

Miss Hazel Fleming seems to  
be quite busy quilting for the  
past two weeks. Who knows the  
cause?

Miss Laura Westenhous is the  
proud possessor of a new Wal-  
tham watch.

Conard Westenhous and Wil-  
bur Fleming have begun to mani-  
fest great interest in school  
work. Their interest being  
centered on Mt Prospect. Look  
at the sleigh tracks!

Miss Oda Rahn made a business  
trip to Mehama on Tuesday of  
last week.

Ed Fleming is reported to be  
on the sick list the past few days.

We are very sorry to state  
that Mrs Haman Shelton has  
been seriously ill for the past  
six weeks, however she is now  
slowly improving.

The wish of most of the people  
of road district No 25 is that  
Thomas creek will soon take a  
raise and wash in some gravel  
as there is nothing left for the  
supervisor to grade with but  
straw which he begs from the  
farmers.

**MISERY**

Here is a remedy that will cure your  
cold. Why waste time and money ex-  
perimenting when you can get a pre-  
paration that has won a world wide re-  
putation by its cures of this disease and  
can always be depended upon? It is  
known everywhere as Chamberlain's  
cough remedy and is a medicine of real  
merit. For sale by all dealers.
