Oregon's New Game Laws

The hunting and fishing statutes are placed on new basis in that the state gives permission as to who shall hunt and under which conditions games shall be hunted. Under the old code, the opposite stand was taken. It stated that one could hunt, except as forbidden. The new law gives the state full ownership of all game.

The code forbids absolutely the sale of any kind of game or fish. This does away with the period of one month in the fall when ducks may be sold and four months during the winter when geese may be sold in addition to the months for the sale of game fish.

The killing of game by any alien is practically forbidden by reason of a high license.

Non-resident anglers' licenses are abolished and anyone can fish during the season by paying the \$1. The non-resident hunting license is \$10.

A uniform deer hunting law for the whole state is established by the measure, lasting from August 1 to October 31. The law states that three deer with horns can be killed by one hunter during the season. The deer must be tagged when killed; and the licenses henceforth will be sold with three tags attached.

The word trout is defined as meaning any speckled, brook, cut throat, Dolly Varden, brown, rainbow or salmon trout, or steel head or salmon under 15 inches in length. Sale is absolutely forbidden.

Jackson county and all that portion of Oregon west of the Cascades is made district No 1, and the portion east of the Cascades district No 2.

Game birds that are protected at all times and on which there is no open season are: Female Chinese pheasant, silver pheasant, gold pheasant, Rheeves pheasant, English partridge, Hungarian partridge, Franklin grouse, prairie chicken, bob white quail, swan, wild turkeys and small short birds commonly known as sandpeeps and sand pipers.

Non-game birds such as song birds, meadow larks, robins, orioles, thrushes, etc. are protected at all times. The only non-game birds that can be slaughtered are hawks, owls, cormorants, mergansers, ducks, crows and ravens, magpies and blue jays. Destruction of birds nests and taking of birds eggs is forbidden.

The open seasons are as follows for district No. 1: Deer with horns, August 1 to October 31; limit three.

Silver gray squirrels, October 1 to October 31; limit five.

Ducks, geese, rails, coast and shore birds, November 1 to February 15; limit 30.

Male Chinese pheasant, blue grouse, ruffed grouse, native pheasant, October 1 to October 31; limit five. No open season on Chinese pheasants in Josephine, Jackson, Coos or Curry counties.

Mountain and valley quail, October 1 to October 31; limit 10. Doves and wild pigeons, September 1 to October 31; limit 10.

Night hunting and fishing between one-half hour after sunset and one half hour before sunrise is forbidden.

Civil liabilities are imposed as well as other penalties for violation. No shotgun can be used larger than 10 gauge. Snag or gaff hooks and set lines are forbidden anglers. Trapping or snaring of game, animals, birds or fish is also forbidden. Shooting at game from or upon railroad right of way, public road or highway is unlawful.

Beaver or other animals or birds doing damage to property can be killed by obtaining written permission from the state game warden, under restrictions imposed, the animals thus slain becoming the property of the state game board.

No person under 14 is permitted to hunt with a gun on lands other than his parents' premises.

All guns, dogs, boats, traps, fishing apparatus used in violation of the law as well as game or fish taken unlawfully shall be forfeited and seized by the wardens.

Placing of poisoned wheat where game birds or non-game birds can feed is forbidden as is the use of live pigeons as targets.

The open trout season for district No 1 is from April 1 to October 31; bag limit 75 fish or 50 pounds in one day. Trout over 10 inches in length, open season April 1 to January 31; bag limit 50 fish or 50 pounds. It is unlawful to catch trout under six inches in length.

Violation of game laws entails forfeiture of license and denial of privilege of hunting or angling for the balance of the year, as well as other penalties.

Fines from \$200 to \$1,000 are provided for hunting mountain sheep, goat, antelope, elk, moose or caribou, and from \$25 to \$500 and costs for other violations.
