Scio has long enjoyed the distinction of being one of the best market towns of its size in the state. You always get the top price for your produce from our enterprising business men.

The prosperity of a town does not depend so much upon the wealth of its citizens as the manner in which they pull together. Let's pull together this spring and summer and by fall we can boast of the best town in the state for its size.

We are now approaching the barefoot season when the small boy is unhappy if he is not allowed to blister his feet on the hot walks, cut them on sharp edged objects, run pieces of glass into them and knock off the nails from the big toes, such is life—with the small boy.

This is the time of the year when the old hen never fails to get into your neighbor's garden. You know the result. One good scratching hen can in five minutes scratch up all the friendship that has been growing for many years between neighbors. Keep her at home or cut her head off.

If you have one of the new nickels, you had better keep it as a souvenir as it is understood no more are to be issued. Slot machine manufacturers are finding fault with the nickel, claiming that it cannot be used with facility in their devices. However, it has been found that the new coin can be slipped into a savings deposit without inconvenience, and using it in that way is a very commendable alternative.

Graduation day with all its flowers will soon be here. You can already scent the fragrance of blossoms. Our people have always taken great pride in our schools and no student ever carried away a diploma but took it with the best wishes of our people. Speaking of the rapid approach of another graduation day reminds us that there is nothing more pleasant in the busy hum-drum of after years than to permit your mind to wander back to the days of school life, the sweet memories and incidents that come up, the smiling faces and pleasant countenances; the old school house door, that has so often admitted

you, swinging back and forth on its great hinges, the very walls speaking forth of happy hours; while at your side stands the noble teacher who has watched your every move, and is as much interested in your success as you are yourself.

Notice

May 24 is the day set for the work.

By order of the Trustees.

Don't forget to take advantage of the News' \$1. subscription price when you are in town.

West Scio Notes

Miss Laura Westenhause visited with home folks over Sunday.

Mr and Mrs Roe Phillips and Mr and Mrs W A White made a trip to Albany Thursday in the former's auto.

Sunday evening when the S P train came in Cliff Shelton's horses broke loose and ran away with his hack. They came down the road leading south from West Scio and were stopped by W A White. There was no one in the hack as Mr Shelton was in the depot waiting for the mail.

Mrs W A White visited at the home of her daughter, Mrs R V Shelton, over Sunday.

J B Kistler and family have moved into the house recently vacated by Paul Froelich.

The Scio Condensery has started a milk route down around West Scio. Several people send their milk and after the wagon has been running a little longer, there will probably be more sent.

The wife of F H Phillips died at Medford and was brought here for burial. The funeral services were held at the Miller cemetery May 12. Mr Phillips had purchased the J B Kistler place and he and his wife were intending to make their home here. The sympathy of the community goes out to Mr Phillips in his sad bereavement.

Grandma Goins died at her home May 9, after a lingering illness and was buried at the Miller cemetery May 11.

Mr and Mrs J B Kistler were called to Tacoma, Washington to attend the funeral of the latter's father, who died suddenly at Walla Walla. He had been here visiting his daughter and was on his way to visit his son at Spokane before returning home, when his death occurred.

Many Brokers in Line.

While speculators and capitalists are not in sympathy with Theodore Roosevelt or with the Progressive Party, it is interesting to note that in a poll taken of brokers and dealers in the New York stock exchange, 34 men were found who declared with vigor that they were for the Colonel. Three of these brokers said they were out and out Bull Moosers; 29 declared that they were Republicans who were going to vote for Roosevelt, and two said they were Democrats, but were going to vote for Roosevelt for president.

For Hair Health

If Rexall "93" Hair Tonic does not improve the health of your scalp and hair, we will pay for what you use during the trial.

We could not so strongly endorse Rexall "93" Hair Tonic and continue to sell it to the same people if it did not do all we claim. Should it not prove entirely satisfactory our customers would lose faith in us, we would lose their patronage, and our business would suffer.

If your hair is falling out or you suffer any scalp trouble, we believe Rexall "93" Hair Tonic will do more to eradicate the dandruff, give health to the scalp, stimulate new hair growth and prevent premature baldness than any other human agency.

We want you to make us prove this. We ask you to risk no money whatever. Buy a bottle of Rexall "93" Hair Tonic, use it according to directions for thirty days; then if you are not entirely satisfied, come and tell us and we will promptly hand back the money you paid us for it.

We won't ask you to sign anything, nor even to bring the bottle back. We won't obligate you in any way. We will take your mere word. Could anything be more fair? Could we do anything more to prove our belief in Rexall "93" Hair Tonic, and our honesty of purpose in recommending it to you?

Rexall "93" Hair Tonic is as pleasant to use as spring water and has but a faint, pleasing odor. It comes in two sizes of bottles, 50c and \$1.00. You can buy Rexall "93" Hair Tonic in this community only at our store:
