Men's and Boys' Clothing and Furnishing Goods

Our policy has been the last four years, not to carry goods from one season to the next. This Spring has been late and no demand for merchandise. Our loss will be your gain. If the weather man will not help us, we must help ourselves. We have but one way. YOU HAVE THE MONEY. What we want is that money. Saturday, May 24 at 9 o'clock we will open our doors on the BIGGEST SLAUGHTER OF MENS' AND BOYS' SEASONABLE GOODS ever put on in Albany. And we have had some big sales.

Saturday, May 24 is the day we start. Everything on sale at a Big Reduction and continue until the stock is sold, as we want money

LETTERS FROM OUR COUNTRY CORRESPONDENTS

SANTIAM FARM TOPICS.

Mrs. Lee is still quite sick, but is thought to be a little improved.

There was a cow buyer through this section Monday wishing to buy all the fair average cows for sale at most any price, as he is aware in another year good cows will command \$120 as they are now a scarce article at \$100.

Our continued rains seem to come without an invitation, like a stray dog. Not much appreciated as it is rotting all the garden seed in the ground that is, what is planted, but would be just as well off in the house.

Mrs. Nina McBride went out Saturday to visit with her uncle and aunt, Mr. and Mrs. M. Gaines.

Dane Bilyeu has about recovered from his severe attack of chicken-pox, almost equal to smallpox.

S. W. Gaines and wife were in Albany Wednesday visiting with Mrs. Gaines' sister, Mrs. Morris.

S. W. Gains is treating his kitchen and dining rooms to a new coat of Sanitas, which helps the cause very much.

David Harsburgh has been having a very sick mare after foaling, as he kept the veterinary with her one day and night hoping they could save her.

The aluminum peddler of Albany is around delivering post orders and taking new ones. He reports fine sales as he is quite a hustler, and should be patronized as he has the finest ware. **PIE EATER.**

I am now located in the old meat market by the steel bridge where I am in the market, and pay the highest cash prices for all kinds of live stock, poultry, eggs, etc. See me before selling your produce. —Tom Large.

SHELburn ITEMS.

Inez Hiron spent Tuesday visiting friends in Scio.

H. O. Shilling and wife were in Jefferson Tuesday.

Mrs. Hoagland is nursing Mrs. Blatchford.

Kelley Donahue and Hobart Hoagland have been heard from by relatives since their sudden disappearance a couple of weeks ago.

The road supervisor has been doing some road work between Vernon's and Shelley's lately.

Most Prompt and Effectual Cure for Bad Colds

When you have a bad cold you want a remedy that will not only give relief but effect a prompt and permanent cure, a remedy that contains nothing injurious, a remedy that is pleasant to take. Chamberlains cough remedy meets all these requirements. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and restores the system to a healthy condition. This remedy has a world wide sale and use and can always be depended upon. Sold by all dealers.

MILL CITY.

Mr. J. A. Bilyeu of Scio made an auto trip to Mill City last week. He was seen driving over some of our newly laid crushed rock.

The new rock crusher eats up a cubic yard of big and little rock in

two minutes.

Measles are prevalent in town. Several are trying to catch them so they can say they have had them.

Mr. Byron Wolfe and Miss Horner were married last week. Mr. Wolfe is fire warden for timber companies on Thomas creek. They are an excellent couple.

The county court has attached part of Jordan road district and a large slice of King Store district to this district. Our road boss has full sway from the summit to near King's station.

Traces of copper have been discovered in the townsite of Mill City. A chunk of it was sent to an assay office in Idaho and it showed 42 per cent copper, 22 ounces of silver and a trace of gold to the ton. It was transported from the head of Rock creek on a glacier during the ice age. No use to get excited.

The mill company has doubled the capacity of their distributing platform. It is wonderful to see machinery handle lumber. They take care of double the amount now.

The little Japs here do not seem to be excited over the great war that is going on between the U. S. and Japan. All the same they know what is going on. Every one of them would be in the Jap army in short time in the event of war.

The Odd Fellows dedicated their fine new hall Saturday, the 10th inst. A large crowd was present. Some came from surrounding towns. The storm prevented others from coming. Mr. Spencer of Gates and Mr. Bertram of Mill City were the leaders in the ceremonies. All did well. Mr. George G. Feil of Portland delivered an excellent address at the close of the dedicating program. It was appropriate and applicable. Mr. Feil is deputy state commander for the Maccabees. He is organizing a lodge of that order here and starts out with about forty charter members. The banquet at the close of the dedication was a thing of beauty and a joy forever. Who said the country was going to the bad? Not so long as the Odd Fellows can furnish such a feast. I give up trying to describe it. I am short on French words.
