## PRACTICAL BAKING LESSONS COOKIES AND TEA CAKES

In this lesson I will give a few choice recipes for cookies and small tea cakes. There are two kinds of cookies, the rolled cookie and the drop cookie. The rolled cookie is rolled out and cut in shapes for the oven. The dropped cookie is less trouble as they are dropped with a teaspoon into the buttered pan. There is nothing more convenient for children's lunches than cookies or small cakes.

Nevada Briggs

### Peanut Cookies

1/2 cup butter 1/2 cup sugar  
1 egg, beaten light 2 tablespoonful milk  
1 cup flour 1/2 teaspoonful salt  
1 level teaspoonful K C Baking Powder 1/2 cup shelled peanuts

Sift together, three times, the flour, salt and baking powder. Cream the butter, add sugar, egg, milk, the flour mixture and, lastly, the peanuts, chopped and pounded fine in a mortar, or put through the food chopper. Drop on a buttered tin, a teaspoonful in a place well apart in order that the cookie can round out. Put half a nut meat on each bit of dough. Bake in a moderate oven. This will make twenty-four cookies.

These are delicious after the second day and will remain moist for a number of days.

### Plain Cookies

1/2 cup butter 1 cup granulated sugar  
1/2 nutmeg, grated 1 egg, beaten light  
3/4 cup flour 1/2 cup milk  
1 level teaspoonful K C Baking Powder  
Sugar for dredging the cakes

Sift together, three times, the flour and baking powder. Cream the butter, nutmeg, beaten egg, milk, and the flour mixture. Take the dough on a floured board, a little at a time; knead lightly; roll to a scant half inch thickness and cut into rounds. Dredge with sugar by turning top of cookie into a plate of sugar; if desired, a little cinnamon may be mixed with the sugar. Bake in a moderate oven.

### Almond Drop Cookies

2 eggs, beaten light 1 cup sugar  
2 ounces chocolate, melted 1 cup flour  
1 1/2 cups blanched almonds, chopped  
1 level teaspoonful K C Baking Powder  
1/2 teaspoonful each, salt and cinnamon  
1 teaspoonful vanilla extract

Sift together, three times, the flour, salt, cinnamon and baking powder. To the eggs add the sugar, chocolate, almonds, extract and lastly, the flour mixture. Drop by teaspoonfuls upon a buttered baking pan. Bake in a moderate oven. The recipe makes about three dozen little cakes. Other nuts, as hickory nuts, English walnuts or pecans may be used.

### Spiced Tea Cakes

1 1/2 cups flour 1/2 teaspoonful salt  
2 eggs or 4 egg yolks 1/4 cup butter  
1/2 cup sugar 1/2 cup cold water  
1 level teaspoonful K C Baking Powder  
2 teaspoonfuls cinnamon  
1/2 teaspoonful nutmeg  
1/2 teaspoonful ground cloves

Sift flour, baking powder, salt and spices three times. Cream butter and sugar. Beat yolks of eggs very light; add those to butter and sugar mixture; alternately add water and flour mixture, beat until smooth then add beaten whites, when whole eggs are used. Bake in muffin pans or party tin. Bake slowly until the batter has expanded to double  
Copyright 1922 Joseph M. Co.

the bulk; then increase the heat and bake until brown and well risen to the touch when pressed in the center with the fingers. A little fruit may be added such as raisins or currants.

### Things to Remember

The softer cookies are mixed the lighter and more moist they will be.

To handle soft dough for rolling and cutting, take only a small amount on the board at a time.

When very soft dough is to be rolled and cut, always add a little baking powder to flour used on the rolling board and the rolling pin, as the flour alone will toughen the dough.

To bake cookies use a sheet or a shallow pan and always bake at the top of the oven. Never try to bake cookies in a deep pan. The heat must get directly at the cookie from the sides as well as the top. If one does not have a shallow pan or cookie sheet, invert a dripping pan and use the bottom of it. Have a moderate oven for cookies.

To bake Tea Cakes always use the slow oven until the cakes have doubled in bulk. Then bake until done with the hotter oven. If tea cakes "mountain up" and crack open it is an indication they baked too quickly.

K C Baking Powder is excellent for cookies. It is not always possible to have enough oven room or enough shallow pans to bake all the cookies at one time. With K C it is perfectly safe to mix as much batter as you wish and bake as fast as convenient. The hot cookies baked will be equally as nice as the first, due to the nature of K C Baking Powder.

K C is so made that it gives two distinct raises—one out of the oven and one in the oven. This double raise allows food to remain out of the oven for hours and still be light when baked and it also makes the food much lighter than the old fashioned baking powder. Test this statement by making your favorite cake with K C and note the difference in the size of it when baked.

### NOTICE

So many requests are being made for lessons that have been missed, that we have had the complete series of lessons durably bound and will send it free on request.

If you have missed any of the lessons, or would like to have them in convenient form for future use, or if you have a friend to whom they might be helpful, drop us a postal and a bound set will be promptly mailed FREE.

Everything new in dress goods for Spring at Hibler & Gill's.

Mr and Mrs Hess who recently bought property at Salem, visited last week at the home of the latter's uncle, J N Weddle.

Mr and Mrs E C Shelton came down from Detroit Thursday to spend the Fourth, returning Monday.

Mrs G M Flook and children of Mill City have been visiting the past week at the home of her father, John Sims.

### His Van Heppel.

The first parents were leaving the garden together when Eve suddenly stepped behind Adam. "Age before beauty," she remarked, with more truth than modesty.

"Huh!" muttered Adam, with a boastfulness that was surprising. "If that order had been followed when the serpent was interviewed I bet we wouldn't be winking out now!"—Puck

### Queer Old Laws.

France in 1214 passed laws regulating the size of the cloak and robe, the breadth of the trimming and the number of suits possessed by each person; also the diet, including the hour of meals and the number of dishes.

### His Day Off.

He was a new office boy. "How would you like to take a day off?" asked his employer. "Oh, fine!" said the lad as visions of a day at leisure came before his eyes.

Well, then, take the Wednesday off! the calendar so Thursday is a day off, see?" The new office boy hurried home with a resolve to pass the day at leisure. — San Francisco News.

## Dear Sir: - -

We have a "Liver Salts" that has given such universal satisfaction in such trouble as sick headache, sour stomach, constipation, sleepless nights and all those ailments caused from indigestion, that we want to call your attention to them. First let us assure you that these salts are absolutely harmless; nothing like the strong cathartics that in many cases do more harm than good. They are a simple remedy for a common trouble, but wonderful in their results.

If you are ever bothered with any of the above ailments we feel sure it would pay you to try a bottle. We have had such wonderful reports regarding the benefit derived from these salts that we do not hesitate to recommend them to our patrons, and to absolutely guarantee them to give satisfaction or we will refund your money.

Unlike the ordinary salts they are very pleasant to take. A tablespoonful in a glass of water before breakfast makes a delightful, refreshing drink and tones up the whole system. Remember they are absolutely harmless. Price 50c per bottle.

Thanking you for past favors, we remain,

Yours very truly,
