SANTIAM FARM TOPICS.

Harry Freeman's sale went off nicely with an unusually large crowd, and more women than men present, things going at bedrock prices. Mr Freeman and family will soon pull out for their new home in Lake Co.

Mrs Oscar Filpot pulled out for Missouri Sunday morning as she received word to come at once as her mother was at death's door.

Mrs Bell Alvard returned home to her mother Mrs S W Gaines after a three month's stay in Portland as a manicurist. She will remain at home through the hot weather.

M C Gaines after buying out two of his renters, found he had more harvest on his hands than he wished, so he turned 40 head of young cattle in on a 40 acre field of oats that would have made 1000 to 1200 bushels of fine grain. I believe the boy is getting a little extravagant.

I see our new road boss Wm Richardson has started up the rock crusher and is finishing up some fine road from the Randall farm into Scio with a fine grade of crushed rock. Billy will build us some good roads if people will only be liberal hearted enough to furnish him a little money and then they will not feel like cursing the road boss next winter as is usually done by people who give nothing.

Our electric storm of last Thursday was a little sassy up near Lacomb, as it struck Mr Downing's barn while two boys were unloading hay with a derrick fork, knocking down both boys, struck the derrick and frightened the team so they left the scene at once as it was too hot for them. Fortunately it did not set the barn on fire and the boys will soon be all right.

George Griffin finished up his hauling Tuesday and will soon leave for Burns to visit his daughter Mrs Neva Sturgis for a month or six weeks.

Harry Bloomer, wife and daughter of Prineville are now visiting with Mrs Bloomer's sister, Mrs Henry Ray.

The Santiam Farm proprietor has become disgusted with patronizing the cannery as it is lots of hard work and starves a man in the face with starvation, so the old man will resort to his old trade of peddling in Scio and will try to accommodate his old customers with the best he has.

Winston Young of Scio is out carving up wood for the neighbors who were smart enough to have their wood hauled early.

Mrs Ho Heart who has been in Portland visiting her sister and many friends returned home to her mother's, Mrs Phoebe Turner, last week.

Remarkable Cure of Dysentery  
"I was attacked with dysentery about July 15 and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's colic, cholera and diarrhoea remedy. I used two bottles of it and it gave me permanent relief," writes B W Hill of Snow Hill, N C. For sale by all dealers.
