The Servian Wall.
 The Servian wall was the first inclosing wall of ancient Rome and named for Servius Tullius, who is supposed to have built it. It was built against the cliffs of five of the famous hills of Rome, crossing the valleys between them at the narrowest part and reinforced at its weakest points by embankments and ditches.

MORAL EXCELLENCE.
 Moral excellence is man's highest glory. Men everywhere and in all ages have rendered it their homage, but never more so than in the present time. Nothing in this age can take the place of it or atone for the want of it.—Rev. Dr. A. A. Willis.

Men and Tears.
 Men have always taken a kind of perverse pride in their comparative immunity from tears, as though a peculiarity due to a physical cause were a self-made virtue and the proof of a strong mind. But there is pathos in this deprivation, for they cannot get the relief of tears when poignant thoughts and feelings from "the depth of some divine despair" rise from the heart in their crisis of suffering and sorrow.—Wilkinson Sherren in T. P.'s London Weekly.

Misinterpreted.
 Lord Macaulay passing one day through the Seven Dials bought a handful of ballads from some street folks who were hawking out their contents to a gaping audience. Proceeding on his way home he was astonished to find himself followed by half a score of urchins, their faces beaming with expectation. "Now then, my lads, what is it?" said he.
 "Oh, that's a good 'un," replied one of the boys, "after we've come all this way."
 "But what are you waiting for?" said the historian, astonished at the lad's familiarity.
 "Waiting for! Why, ain't you going to sing, gov'ner?"—Life.

Meanings of Dyke.
 "Dyke" has even more divergent meanings than ditch in Lincolnshire and bank in Holland: In Scotland it means a low wall or fence of turf or unmortgaged stones, and in some parts of northern England a "dyke" is a hedge. Yet there are other northern districts where it is a pond. Originally, in English at any rate, "dyke" or "dike" and "ditch" both meant what ditch still means to us, but as the digging out of a ditch necessarily involves the raising of a mound with the dug-out earth the words came to signify ditch and mound together and eventually in some cases the mound alone.—London Standard.

Conjugal Amenities.
 She—I was a fool when I married you. He—Aren't you a fool still? She—No, I am not. He—Then you should be thankful to me for reforming you.—London Tit-Bits.
