Good Reason for His Enthusiasm
 When a man has suffered for several
 days with colic, diarrhoea or other
 form of bowel complaint and is then
 cured sound and well by one or two
 doses of Chamberlains colic, cholera
 and diarrhoea remedy, as is often the
 case, it is but natural that he should be
 enthusiastic in his praise of the remedy
 and especially is this the case of a severe
 attack when life is threatened. Try it
 when in need of such a remedy. It never
 fails. Sold by all dealers.

The Santiam News
 SCIO, OREGON

Gone to Rest.

After a short illness from appendicitis John W Garland of Albany passed away late Saturday afternoon at St Marys hospital. He was operated on Thursday and his physicians entertained but little hope for his recovery.

Mr Garland was born Aug 4, 1851 and grew to manhood at his father's home near Providence, where he lived until about five years ago when he moved to Albany.

His first wife was Miss Alice Richardson who died in 1898. To this union six children were born, five boys and one girl; four children survive him. He was again married to Mrs Matilda Crumes, July 18, 1900. He was a member of the Baptist church.

The burial services occurred Monday afternoon at Providence church being conducted by Rev Elmore. There was a large crowd present to pay the last tribute of respect to their relative, friend and neighbor and whose hearts seemed moved with the deepest sorrow because he whom they loved is with us in body no more.

John W Garland was loved by all who knew him. His friends were numbered by his acquaintances. He was a model man, a loving husband and father, a faithful friend, and obliging neighbor. Loving hands literally covered the grave with flowers.

He leaves a wife and four children, Will, Harley, Gilbert and Roy, also one sister and two brothers to mourn his sudden death.
