Remarkable Cure of Dysentery

"I was attacked with dysentery about July 15 and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's colic, cholera and diarrhoea remedy. I used two bottles of it and it gave me permanent relief," writes B W Hill of Snow Hill, N C. For sale by all dealers.
