The News force will take a
vacation next week and enjoy
the fair along with other people,
consequently no paper will be
issued. However, we will be
back on the job as soon as the
fair is over.

In regard to our article last
week about postal rates, the
postmaster informs us that our
package weighed two pounds in-
stead of one and that the rate is
one-half cent an ounce instead of
one cent. The correction is cheer-
fully made. However, this does
not alter the principle involved,
as even this rate is rank discrim-
ination against the printer, inas-
much as the rate would still be
one-half cent per ounce, whether
the package weighed one ounce
or twenty pounds.

Diarrhoea Quickly Cured

"I was taken with diarrhoea and Mr
Yorks, the merchant here, persuaded
me to try a bottle of Chamberlains col-
ic, cholera and diarrhoea remedy. After
taking one dose of it I was cured. It
also cured others that I gave it to,"
writes M E Gebhart, Oriole, Pa. That
is not at all unusual. An ordinary at-
tack of diarrhoea can almost invariably
be cured by one or two doses of this
remedy. For sale by all dealers.

EMPIRE CREAM SEPARATOR

A customer said, the other day,
"Farmers and Dairymen are get-
ting wise. They are learning how
to buy machines. They consider
light, easy running the best pos-
sible evidence of quality. This is
especially true of high speed ma-
chines like cream separators. The
next thing they consider is, how
long the machine has been on the
market."

Argument doesn't make quality,
does it?

A properly cared for EMPIRE Cream Separator will
start under the weight of its crank. You can hold one
car close to an EMPIRE running at full speed and hear your watch tick at
your other ear.

EMPIRES have been used by the fathers and grandfathers of many young
farmers who are now buying EMPIRES for themselves.
Stop and see the EMPIRE, or ask to have one sent out.
