

**LETTERS FROM OUR
COUNTRY
CORRESPONDENTS**

What has happened to some of our country correspondents? We note that we are minus the Thomas Topics, Santiam Farm news, Mill City Items and West Scio Notes. We believe we used to have some "Country Clippings" too. What's the trouble, Country Jake?

CRABTREE ITEMS

We hope the editor will pardon us for not having our letter for him last week, but as it is pretty busy times around the old man's house we didn't gather up the news.

The farmers in this locality are nearly done potato digging. The crop is good and looks like they are going to be a good price.

W J Turnidge has installed three new clerks in his big store which looks like W J was doing some business.

Mr Montgomery who has been with W J Turnidge for the past four years has purchased a fifteen acre tract of land in Tillamook county and has gone there to live.

The Crabtree school organized a literary society last Friday night and elected G L Flanagan president. They expect to have some interesting debates this winter.

Stanley Hoffman has just returned from Portland where he has been the past week attending to some important business matters. While there he bought two pool tables which he will install in his new building as soon as they arrive.

J C Chrisman has sold his large dairy ranch and is now looking for a good farm near Crabtree.

What is the reason we can't have a good cheese factory at Crabtree? Scio has a milk condensery, Lebanon a creamery, and as we are about half way between these two places, we think a good cheese factory would do well here.

Mr and Mrs Freeman have been visiting old friends near Albany the last few days.

Ora Powell and family spent Sunday at S S Stewart's.

G L Flanagan and family visited at T A Paul's Sunday.

A Marvelous Escape.

"My little boy had a marvelous escape," writes P F Bastians of Prince Albert, Cape of Good Hope. "It occurred in the middle of the night. He got a very severe attack of croup. As luck would have it, I had a large bottle of Chamberlain's cough remedy in the house. After following the directions for an hour and twenty minutes he was thoroughly out of danger. Sold by all dealers."

Avoid Relative Cough Medicines.

If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia use cough medicine that contain codine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's cough remedy is what is needed. That cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's cough remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers.

Try those new "Pearl" tooth brushes at Peery's. Price 35c.
