Declare War on Colds

A crusade of education which aims "that common colds may become uncommon within the next generation" has been begun by prominent New York physicians. Here is a list of the "Don'ts" which the doctors say will prevent the annual visitation of the cold:

- "Don't sit in a draughty car."
- "Don't sleep in hot rooms."
- "Don't avoid the fresh air."
- "Don't stuff yourself at meal time. Overeating reduces resistance."

To which we would add—when you take a cold, get rid of it as quickly as possible. To accomplish that you will find Chamberlain's cough remedy most excellent. Sold by all dealers.

The following people have taken advantage of the News' \$1 bargain offer: R Shelton, T M Holt, M E Arnold, Ed Bilyeu, C A Lucas and Joseph Dobrkovsky. We still have a few Feathered World coupons left. If you want one subscribe now, or renew, and get one free, for the asking.
