Notice!

Are you in need of an inside wall finish to take the place of lath and plaster ceiling? If so I have the article that will neither crack, warp, shrink nor swell. You can paper over it, kalsomine over it, paint it, drive nails in it, or use it in any way; dampness will not come through it; it is cheaper than lath and plaster or ceiling, and will beat everything else a city block. Morrison has it in stock. Call and see it and have it explained. Anyone can put it on.
17 N I Morrison, Scio, Ore.

Declare War on Colds

A crusade of education which aims "that common colds may become uncommon within the next generation" has been begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

- "Don't sit in a draughty car."
- "Don't sleep in hot rooms."
- "Don't avoid the fresh air."
- "Don't stuff yourself at meal time. Overeating reduces resistance."

To which we would add—when you take a cold, get rid of it as quickly as possible. To accomplish that you will find Chamberlains cough remedy most excellent. Sold by all dealers.

Tonight.

Tonight, if you feel dull and stupid, or illious and constipated, take a dose of Chamberlains tablets and you will feel all right tomorrow. For sale by all dealers.
