

## LETTERS FROM OUR COUNTRY CORRESPONDENTS

"THOMAS TOPICS."

Miss Marie Schlemmer visited at Albany Saturday.

Wallace Boag returned Friday from a visit at Portland.

Jesse Freetag and Miss Pearl Erwin were united in marriage at Albany last week. They are now at home on Mr. Freetag's farm. We all extend our wishes for a long and happy wedded life.

The strong wind Sunday and Monday did quite a little damage to this vicinity. It blew down several old fences, trees, broke the telephone wires in several places and took the roofs from several buildings. The wind together with the snow storm which followed gave us all the impression that winter is here. Prior to this the weather has been more like spring.

A birthday party was given at Mr. Boag's Friday evening in honor of Wallace Boag. A number of young people from this neighborhood were present, all reporting a pleasant time.

A number of people attended the dairy meeting at Scio Saturday. We hope all will profit by it, which will mean more money to this vicinity, as the main object was "more and better cows."

Several persons from here attended the literary at Crabtree Saturday night also the dance that was given after the program.

Messelt Bros had the misfortune to lose one of their registered Durham cattle. It was the same as throwing ten \$20 gold pieces away as I'm sure she couldn't have been bought for that price. It was a great loss to the community, as it would be to any, but worse here where few of such fine stock of cows are raised.

### His Stomach Troubles Over

Mr. Dyspeptic would you not like to feel that your stomach troubles were over, that you could eat any kind of food you desired without injury. That may seem so unlikely to you that you do not even hope for an ending of your trouble, but permit us to assure you that it is not altogether impossible. If others can be cured permanently, and thousands have been, why not you. One R. Barker of Battle Creek, Mich., is one of them. He says, "I was troubled with heartburn, indigestion and liver complaint until I used Chamberlain's Tablets, then my trouble was over. For sale by all dealers."

### CRABTREE ITEMS

As the pen pusher is behind a couple of joints we will try and stir up a few items.

Asst. superintendent Benner visited our school Friday.

J. D. Layton of Suver who has been visiting his daughter, Mrs. Flanagan, for several weeks, returned home Saturday.

W. J. Turnidge was transacting business in Albany Saturday.

G. Chastain has lost his pups. He has the sympathy of the neighbors.

The entertainment given by the Literary Society at the Christian church was well attended and highly appreciated by all.

Mrs. Hilda Cavett who has been visiting her mother the past month, has gone to Independence where her husband is working in a hop yard.

Mr. Freeman is building a fine large barn.

W. K. Alvin of Lebanon shipped a carload of potatoes from Crabtree last Friday.

Mr. Parr gave a dance last Sat-

urday night which was well attended.

The big hardware store makes a big difference in the appearance of Crabtree, and when completed will be a fine building.

Several of our young people attended the school entertainment at Providence last Friday night.

M. C. Gaines has been having quite a time nursing a crippled hand, but at last reports he was doing nicely.

### This New Medicine Saves You Money

We are druggists right here in your own and make a living out of the drug business, but it is because people have to have drugs and not because we like to see the people suffer—we don't. Our duty is to render the best service we can, and when someone is ailing, we are interested in seeing them take the best medicine there is for their particular trouble. We don't recommend "cure-alls," as we don't believe there are such things. We don't want you to spend more than you have to. Some of you get small wages, and when you're sick, none at all, and you should get the most you can for your money.

We recently came across a new remedy for increasing strength and building up people who are run down and emaciated. We know that a slight trouble sometimes grows into a serious one, and to stop it in the beginning, will save you money in the end. This new compound is called Rexall Olive Oil Emulsion. It is the best remedy when you are run down, tired out, nervous—no matter what the cause. It doesn't merely stimulate you and make you feel good for a few hours, but takes hold of the weakness and builds you up to a healthy, normal condition. It is a real nerve food tonic and builder of good blood, strong muscle, good digestion. It contains hypophosphites, which tone the nerves and pure olive oil which nourishes the nerves, the blood and the entire system. Pleasant to take. Contains no alcohol or habit-forming drugs. We promise that if you are not perfectly satisfied with it, we'll give back your money as soon as you tell us. Sold only at the 7,000 Rexall stores, and in this town only by us. \$1.00—E. C. Peery, Scio, Ore.

Wm. Downing returned on the motor Monday from Scio where he has been attending to his stock.

The surprise party on Scott Lynch given by Miss Brant at the opera house Saturday evening was greatly enjoyed by the young people who attended.

Roy Cole, on Rocky Cliff, is extending the side walk past his residence and we have promised him a vote of thanks. Slow but sure the walk is nearing the farm.
