

## LETTERS FROM OUR COUNTRY CORRESPONDENTS

### CRABTREE ITEMS

If the old time saying is true we will have six weeks more winter, as the groundhog could certainly see his shadow on February 2.

Joy Turnidge, the 16 year old son of Mr and Mrs W J Turnidge died Thursday night, January 29, after a lingering illness of about 18 months. Funeral services were held at the Christian church at 11 o'clock and he was laid to rest in the Masonic cemetery at Lebanon.

M A Freeman and wife dined with his father and mother last Sunday.

This nice warm weather makes the people think it is time to be getting their garden seeds ready to plant.

The Crabtree Literary Society will give an entertainment at the church next Saturday night. Everybody come out and enjoy a couple of hours of fun.

### Methodist Minister Recommends Chamberlain's Cough Remedy

Give Chamberlain's Cough Remedy a trial and we are confident you will find it very effectual and continue to use it as occasion requires for years to come, as many others have done. For sale by all dealers.

### When You're Sick Your Wages Stop

You know what that means—misery—worry—big bills—debt.

You know you can't afford to get sick. Keeping in good health means food and clothing for you and your family. It is up to you to take care of yourself. It is up to you whenever you don't feel right, to take something to make you right, to strengthen you, build you up, ward off worse sickness—protect you and your family. That thing we have in Rexall Olive Oil Emulsion. In offering it to you, we protect you against money risk, by personally promising you that, if it does not restore your health, we will give back your money without word or question. We believe it is the best builder of health, energy and strength you can get. It is helping many of your neighbors. If it don't help you we will give back your money.

Rexall Olive Oil Emulsion is composed principally of pure olive oil and the hypophosphites. Each has long been endorsed by successful physicians. Here they are for the first time combined. The result is a remarkable nerve, blood and strength-building remedy that is both food and medicine. For all who are nervous, run down and debilitated—no matter what the cause; for old people;

for convalescent; for puny children, we know of nothing that will give health and strength as quickly as Rexall Olive Oil Emulsion. It is a real builder of good blood, strong muscles, good digestion. Pleasant to take, it contains no alcohol or habit forming drugs. If you don't feel well economize both money and strength by beginning to take Rexall olive oil emulsion. Sold only at the Rexall stores, and in this town only by us. \$1.—E C Peery, Scio, Ore.

### How is Your Boiler?

It has been stated that a man's stomach is his boiler, his body is his engine and his mouth the fire box. Is your boiler (stomach) in good working order or is it so weak that it will not stand a full load and not able to supply the needed energy to your engine (body)? If you have any trouble with your stomach Chamberlain's Tablets will do you good. They strengthen and invigorate the stomach and enable it to do its work naturally. Many very remarkable cures of stomach trouble have been effected by them. For sale by all dealers.

### Name It

In Mexico a saloon is called, "Bait of the devil," while a drug store goes under the name of "Gate of Heaven." Now what we want to know is, if the imagination could be made to stretch that far, what under the sun would a place be called that dispensed both booze and drugs?
