Give That Puny Child this Guaranteed Remedy

If your child is under-weight, listless, ailing, liable to get sick easily, it needs a medicine to build its weight and strength. For this purpose there is nothing else we know of that we can so strongly endorse as Rexall olive oil emulsion. The remarkable success of this splendid medicine is due to the fact that it contains ingredients that tone the nerves, enrich the blood and furnish to the entire system the strength, weight and health-building substances it needs. And it does all this without injuring the stomach. In fact, Rexall olive oil emulsion is not only pleasant to take, but even the most sensitive stomach is benefited by it, and the digestion improved. On the other hand, it contains no alcohol or habit forming drugs, which most parents object giving to their children. It does its good work by taking hold of the weakness and builds the body up to its natural strength, at the same time making it strong to resist disease.

If Rexall olive oil emulsion doesn't build your child up, feed the stunted, puny muscles, and make the little one lively, strong, well and full of the animal spirits children are meant by nature to have, come back and tell us and get your money back. We don't want you to lose a cent. We think this is no more than fair, and it leaves you no cause to hesitate. For old people also—for convalescents—for all who are nervous, tired out, run down, no matter what the cause—we offer Rexall Olive oil emulsion with the same guarantee of entire satisfaction or money back. Sold only at the 7,000 Rexall stores, and in this town only by us, -E. C. Peery, Scio, Oregon.

Two Home Women Talk About Hair.

Two women met in our store the other day when one of them said:

"My, how pretty your hair looks! What have you been doing to it?"

"Why, I have been using Harmony hair beautifier for the past two weeks" was the reply.

"Why, indeed, replied the first woman, that is just what I am using. Isn't it great and don't you think my hair shows a lot of improvement?"

Harmony hair beautifier is becoming all the rage among both men and women who are particular in the care of their hair. It is just what it is named—a hair beautifier. It seems to polish and burnish the hair, making it glossy, silky, soft and more easy to put up in graceful, wavy folds that "stay put." Contains no oil and will not change color of hair or darken it. Simply sprinkle a little on your hair each time before brushing it.

To keep your hair and scalp dandruff free and clean, use Harmony shampoo. This liquid shampoo gives an instantaneous rich, foaming lather that immediately penetrates to every part of the hair and scalp, insuring a quick and thorough cleansing. It is washed off just as quickly, the entire operation taking only a few moments. Harmony hair beautifier \$1. Harmony shampoo 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall stores, and in this town only by us. E. C. Peery, Scio, Oregon.

Familiar.

Yeast—Did your wife read the riot act to you last night?

Crimsonbeak—No.

"Why, you thought she would when you got in late, didn't you?"

"Oh, no. She doesn't have to read it to me now; she knows it by heart."—Yonkers Statesman.

Comforting.

She—Here's a story of a man who bartered his wife for a horse. You wouldn't swap me for a horse, would you, darling? He—Of course not. But I'd hate to have any one tempt me with a good motorcar.—London Tit-bits.

Corrected.

Teacher—If I should say, "Your two sisters are coming," would that be correct?

Johnny—No, ma'am. I only have one sister.—Exchange.

Why They Fail.

It takes some people so long to be sure they are right that they never get time to go ahead.—St. Paul Pioneer Press.

We must make our election between economy and liberty or profusion and servitude.—Thomas Jefferson.

His Only Worry.

Grapher—I've got my books out for a swell political office, big salary and all that. Jenkins—Do you think you can fill it? Grapher—Never thought of that. What's worrying me is whether I'll be able to get it.—Philadelphia Ledger.

Ancient Mural Decorations.

It is probable that the earliest wall paintings were those of the Egyptians. Those people employed a distemper containing dissolved gum, and their principal pigments were white chalk, a vegetable yellow, ochers, Ethiopian clays, blue powdered glass stained with copper and charcoal black. The walls of Assyrian and Babylonian dwellings were treated in much the same way, and the practice of painting on walls coated with plaster was certainly in vogue in Assyria. It has been believed that the Greeks understood true fresco work, apparently on the strength of a phrase occurring in Plutarch, "to paint on a wet ground." Vitruvius also speaks of a wet ground and says that colors placed upon a surface so prepared are permanent, which certainly is characteristic of true fresco work.—Harper's.

Not What He Expected.

"Darling," he murmured, "whatever induced you to care for a fellow like me?"

"I really don't know, George," she replied. "Pa has threatened to send me to a brain specialist."—Boston Transcript.

Old Time Vintners.

In the city of London at the time of King John every vintner was required to hang outside his shop an iron vessel with pegs marking the different quantities sold.

Easy Prediction.

"I have often predicted that my wife's hair would be nice and curly at night," said the clever one. "How did I know? Why I saw it in the morning papers."

Every man has a right to judge one individual only, and that is himself.
