

STORIES FROM OUR COUNTRY CORRESPONDENTS

UPPER SANTIAM EVENTS

Professor George Sutherland and stepson were here on a business trip.

Road Boss Shepard has purchased the Greenhagen ranch. Many Indian county people know it as the Dodge ranch.

Jim Wadsworth is running a movie show in Mill City. His sister, Mrs. Chaler, ran the Dreamland in Albany a long time. She was Nina Wadsworth, and was known to many of our young ranchers when a girl. She spent several years in San Francisco composing music and is the author of many fine pieces of band music and other instrumental music.

Paul Horner, who lost a leg in the mill, has received \$4500 from an accident insurance company after a long delayed legal battle.

The Gooch mill has been sold, if all statements are true.

The Potter mill, after a long shutdown, will start up again this week. Rumor has it that they have bought several hundred acres of timber on the government reserve.

The Hammond mill will shut down for a couple of months or more. They will make extensive repairs, put in some new machinery, and enlarge the capacity of the mill. One of the officials says that they will run "full blast" when the Panama canal opens.

They are replacing the wooden logging cars with steel cars—lighter to haul up grade.

Logging and railroad building will continue just the same.

The Black Eagle mining operations, like grandfather's clock, stopped short, not to go again for some time. They will supplant the present machinery with an outfit that will run out ten times as much material as formerly. There is a new superintendent, Bob Shier, who has been the promoter and superintendent all the years back, has gone to Nevada to mine.

Mr. Smith, who has been working in the Silver King mine, has located mines of his own below the Silver King next the river.

The blue sky pilot or state examiner has declared the Ogle Mountain mine a bona fide mine and authorized them to sell stock. They are greatly elated and are going to put in machinery in the spring. Those mines and the Scio mine are near neighbors. Must be gold there.

I. R. G. says that he is knocking the spots out of the high cost of living. He has quit using pie, cake, tea, coffee, whiskey and tobacco. Old fashioned bread, butter, vegetables, milk and mountain water are good enough.

Rexall Dyspepsia Tablets

are, we honestly believe, the best remedy made for Indigestion, Dyspepsia and all other Stomach Ills

We Know They're Good

Rexall Dyspepsia Tablets, in addition to other ingredients, contain Pepsin and Bismuth, two great digestive aids used by the entire medical profession. They soothe the inflamed stomach, check the heartburn and distress, stimulate a healthy secretion of the gastric juice, aid in rapid and comfortable digestion of the food and help to quickly convert it into rich red blood, and thereby into flesh, bone and muscle. They relieve stomach distress promptly, and, used regularly for a short time, tend to restore the stomach to a comfortable, easy-acting, healthy state. They aid greatly to promote regular bowel action.

Delays Are Dangerous

Don't neglect indigestion, for it frequently leads to all sorts of ills and complications. The pain and discomfort is not the most unfortunate part. The fact that when the stomach is not acting right, the material needed to repair the wastes that are constantly taking place in the body is not being given to the blood either in the proper condition or fast enough is far more serious. Nothing will cause more trouble than an unhealthy stomach. The blues, debility, lack of strength and energy, constipation, biliousness, headaches and scores of other serious ailments result from the failure of the stomach to properly do its work.

You Risk No Money

Our willingness to have you use Rexall Dyspepsia Tablets entirely at our risk proves our faith in them. We always sell them this way, and it is because we know that they have greatly benefited scores of sufferers to whom we have sold them. There's no red tape about our guarantee. It means just what it says. We'll ask you no questions. You needn't sign anything. Your word is enough for us. We know that when they help you you will consider it money well spent even if they had cost you ten times as much. If they don't help you, the money you paid for them is yours, and we want you to have it.
