Over 500 pounds of Sears, Roebuck
& Co. catalogues were received on
the noon mail last Saturday. Some-
thing wrong somewhere.

The News is in receipt of 17
inches of advertising matter,
booming West's residuary legatee
for governor. Kindly furnished
in plate form, but we failed to
receive the customary 15c per
inch. No doubt the American
Press Association, furnished the
plate for nothing, just to be a
good fellow. The News wishes
it distinctly understood that of-
fice seekers one and all, great
and small, look alike to us. If
they "come across" they get
publicity, and if they don't
"come across,"—Ich ka bibble.

WEST SCIO SCATTERINGS

Roe Shelton and family visited with
John Shelton Sunday.

Everyone from this vicinity attend-
ed the educational meeting at Scio
Saturday.

W. A. White visited with his wife
over Sunday.

Melvin Arnold and wife visited at
Walter Miller's Sunday.

Lyle Shelton began school last
Monday after a long siege of illness.

Recently while pulling stumps, Joe
Quigley got his leg injured, which
was caused by a singletree breaking.

Mrs. Joe Munter's daughter is here
visiting with her.

J. F. Warwick has sold his ranch
south of West Scio to Mr. Novak, of
Aberdeen, Washington.

Spring must be coming somewhere
in the near future, because the frogs
are making a great deal of racket
lately.

Mrs. Henry quigley has been on
the sick list recently.

Life

Man comes into the world with-
out his consent and leaves it
against his will.

In his infancy he is an angel;
in his boyhood he is a devil; in
his manhood he is everything
from a lizard up, in his duties he
is a fool; if he raises a family he
is a chump; if he raises a check he
is the thief and then the law raises
Cain with him; if he is a poor
man he is a poor manager and
has no sense; if he is rich he is
dishonest but considered smart;
if he is in politics he is a grafter;
if he is out of politics you can't
place him as he is an undiserable
citizen; if he goes to church he
is a hypocrite; if he stays away
from church he is a sinner; if he
donates to foreign missions he
does it for show; if he doesn't
he is a tightwad. When he first
comes into the world, everybody
wants to kiss him. Before he
goes out they all want to kick
him. If he dies young there
was a great future before him;
if he lives to a ripe old age he is
in the way and that's the truth.

What Happened to Jones

The students of Scio high school
will give a play Friday, March 12. It
is a comedy entitled "What Happened
to Jones." It is one of the strongest
plays from the pen of one of Amer-
ica's best playwrights, Mr. Broadhurst.

It is meant to entertain and it cer-
tainly fills the bill.
The company have trained well and
deserve your approval and your pa-
tronage. All proceeds will be spent
on purchasing books for the library,
so your money simply helps your
school. Be sure to come out and
hear something really good and en-
tertaining.

Less Dyspepsia Now—Here's The Reason

The fact that there is less dyspepsia
and indigestion in this community than
there used to be is largely, we believe,
due to the extensive use of Rexall Dys-
pepsia Tablets, hundreds of packages
of which we have sold. No wonder we
have faith in them. No wonder we are
willing to offer them to you for trial
entirely at our risk.

Among other things, they contain
Pepsin and Bismuth, two of the great-
est digestive aids known to medical
science. They soothe the inflamed
stomach, allay pain, check heartburn
and distress, help to digest the food,
and tend to quickly restore the stomach
to its natural, comfortable healthy state.

There is no red tape about our guar-
antee. It means just what it says.
We'll ask you no questions. Your
word is enough for us. If Rexall
Dyspepsia Tablets don't restore your
stomach to health and make your di-
gestion easy and comfortable, we want
you to come back for your money.
They are sold only at the 7,000 Rexall
Stores, and in this town only by us.
Three sizes, 25c, 50c and \$1.00.—E C

A Story a Day

A story a day for the 365 day of 1914
—that is what you get by subscribing
\$2 for the Youth's Companion's new
volume. The fifty-two weekly issues of
the Companion will contain at least 365
stories, and all other kinds of good
reading that can be crowded between
two covers—the best advice on athlet-
ics for boys, articles on dress and recre-
ations for girls, contributions by fa-
mous men and women, suggestions for
the care of the health, etc.

For the year's subscription of \$2
there is included a copy of the Com-
panion Practical Home Calendar for
1914, and all the issues for the remain-
ing weeks of this year, dating from
the time the subscription is received.

If you want to know more about the
Companion before subscribing, send
for sample copies containing the open-
ing chapters of Arthur Stanwood Pier's
fine serial of life in a boys' school—
"His Father's Son." With them we

MILL CITY ITEMS

Mr. Edwards, the electrician for
the Hammond Lumber company, and
family, left for Michigan on the Fri-
day afternoon train.

A surprise was given to the natives
Thursday afternoon, when Miss Kath-
erine Davis was united in marriage
to Thoms Boothe of Silverton. The
young couple left on the afternoon
train for Silverton where they will
make their future home.

Prof. Lyon gave a lecture to the
students of the Albany College Fri-
day evening and from there returned
to Scio, where he attended a meeting
of the committee of the athletic as-
sociation of Linn county.

The Hammond Lumber Company's
mill of this city is now closed for re-
pairs. Eighty thousand dollars is be-
ing expended in the work. The camps
closed Friday, it is reported, for a
period of three months.

A big school rally will be held Sat-
urday at the public school house in
which the "school on the Hill," Ly-
ons, Gates and Gooch are invited to
participate.

Mrs. John Ager, who has been quite
ill is now improving. Miss Ethel
Downing is assisting at the boarding
house this week.

Little Clarence Lewis is quite ill
with pneumonia at Stayton, under the
care of Dr. Beauchamp.

Mrs. Lottie Gentry underwent an
operation at the hospital Saturday.
Dr. Hobson assisted Dr. Ransom and
the present nurse, Mrs. Effie Mc-
Govern.

Carl Mason of the Capital Business
College is in town to attend the bed-
side of his mother, who is suffering
from heart trouble.

Mrs. McKnight, of Scio, is visiting
relatives in town this week.

EVANGELINE.

You Can't Earn Money When You're Laid Up

There are a lot of people in this town
who cannot afford to be sick. Perhaps
none of you feel that you can, but cer-
tainly some of you can't, for as soon
as you are sick, your wages stop and
worry and debts begin to pile up.
The sensible thing for you to do, as
soon as you feel run down and worn
out, no matter what the cause, is to
take something just as quick as you
can build up strength and health. Make
yourself more comfortable and provide
against serious sickness.

We don't believe there is any other
medicine made that will do as much
towards saving your health and thus
helping you save your money as Rexall
olive oil emulsion. It is a medicine that
gets right at the trouble and relieves it
by toning the nerves, enriching the
blood and giving new strength and
health to the whole body. It doesn't
do this by means of alcohol or habit-
forming drugs because it contains none.
Its strength and health-giving power is
due to pure olive oil and the hypophos-
phites, long endorsed by successful
physicians, the one for its food value,
the other for its tonic value. Here for
the first time, they are combined and
the result is a real nerve, blood and
body-building medicine—a real strength-
ener that we are proud to tell you
about. You don't need to hesitate in
using it, because if it doesn't do all we
say it will and satisfy you in every way
it will cost you nothing. If it doesn't
make you strong and well again come
back and get your money. It will be
given to you without word or question.
Sold only at the more than 7,000 Rexall
stores and in this town only by us.—E C
Peery, Scio, Oregon.
