

LETTERS FROM OUR COUNTRY CORRESPONDENTS

SANTIAM FARM TOPICS

Most all the farmers are tearing a bone out getting all their spring plowing finished up in March. Some are sowing and others are making garden so they can have lots of hard hoeing to do.

G M Bilyeu, wife and son have returned home from a three months visit in California. Geo. is somewhat stuck on that state.

Mr Hobbs of Corvallis was through our section the first of the week picking up a fine drove of mutton sheep.

Several of the neighbors attended the big sale at Crabtree Saturday.

M C Gaines recently sold a fine bunch of sheep, realizing \$5.00 a head.

I have been informed that our neighbor, William Reed of Raccoon Hollow has sold his farm for \$5,000. Billy is tired of farm life.

The Santiam Farm has two fine fox terrier male pups four weeks old for sale. The mother is fine for rats and squirrels; father a shepherd, cannot be equaled for stock. Price \$2.50 if called for soon.

Oscar Pomeroy of the Big Swail country was down Monday to Thomas Small's for a load of seed oats.

Mrs Jennie Lovejoy will return home Saturday for a visit with her mother Mrs S W Gaines.

Uncle George Bilyeu and wife were up on a visit with their son Ed since returning home.

The Santiam Farm contemplates getting a cannery so as to put up my berries and fruit at home. The capacity of the machine is 200 cans or sealers per day.

The Farmers Union organized at the Bohemian hall Saturday night. It is one of the best organizations for the farmer ever got up.

School district 77 closed on the 25th with a fine program and a nice basket dinner.

Containing Pepsin and Bismuth, two of the greatest digestive aids known to medical science, they soothe the inflamed stomach lining, help in the secretion of juice, check heartburn and distress, promote regular bowel action and make it possible for you to eat whatever you like, with the comforting assurance that there will be no bad aftereffects. We believe them to be the best remedy made for dyspepsia and indigestion. Sold only at the more than 7,000 Rexall Stores and in this town only at our store. Three sizes, 25c, 50c and \$1.00. Makes Healthy Bowels

THIS simple rule of health is daily called attention to by every doctor in the land, whose first question to the patient almost invariably is, "Are your bowels regular?" Yet there's not one person in fifty who takes proper care of the bowels. And the result of this foolish neglect is nine-tenths of all ill-health. If today you are unable to free your body of waste matter at the usual time, or if the act causes straining, pains and discomfort, don't let that condition occur again tomorrow. Unless your bowels can carry away the waste materials left after food is digested, decay sets in, the poisons of which, taken up by the blood, increase the risk of Typhoid Fever, Appendicitis, and many other serious diseases.

In treating constipation, there is a right way and a wrong way. The wrong way is to take harsh purgatives which even though they do clear the bowels, cause griping and nausea, injure the delicate tissues, and so disturb the normal functions as to cause the return of constipation. The right way is to help Nature to produce natural movement, without pain or discomfort, by using

Rexall Orderlies

More Than
One Hundred
Million Were
Sold Last Year

This enormous quantity was used with good results by busy men who suffered from constipation, due to lack of exercise, or indigestion caused by overwork—by children whose parents realize the harmful effect of common purgatives—by old people whose systems cannot stand anything harsh—by women during pregnancy, and after childbirth, when any medicine with a violent action would be particularly dangerous. Many of these people are your neighbors and friends. Ask anyone who has ever used them—they'll tell you Rexall Orderlies satisfied and helped them.

—a gentle laxative in the form of a chocolate-tasting tablet. One of these tablets eaten just before going to bed will help to restore your bowels to normal activity at a time when your body being at rest, the medicine can do its best work. As a result of taking that tablet (or say two, if your case is obstinate), your bowels will move easily and naturally in the morning. The use of Rexall Orderlies for a few days afterward will restore normal regularity. Even chronic constipation is benefited by them, and it is not necessary to continue the treatment for a long time, because, instead of driving Nature, they simply help her to help herself.

Sold only at the more than 7,000 Rexall Stores and in this town only by us. In vest pocket tin boxes, 10c, 25c, 50c.

This Is Our
Guarantee—
You
Risk No Money

If Rexall Orderlies do not make your bowels act right, tell us so and we'll give back your money without asking a single question. There is no red tape to this guarantee. It means just what it says. You sign nothing. We won't hesitate, or ask you any questions. Your word is enough. If Rexall Orderlies do not do all you expect them to—if you don't feel better after using them and find that they are the pleasantest-acting and best laxative you have ever used, we want you to tell us and get your money back.
