Possibly About You

A S Bennett was a Scio visitor Friday.

Let no one but educated, long experienced, highly skilled, exclusive eye specialists examine and fit glasses to your eyes. Drs Lowe and Turner have the necessary qualifications. They will be in Scio again Thursday, May 21st up to 3 p m. You will make no mistake in consulting them. They guarantee their glasses to give entire satisfaction whether they cost \$2. or more. If you do not need glasses they most positively will not recommend them. Remember the date.

Blatchford Bros, of Shelburn, Oregon, dealers in hardware and all kinds of farm machinery, have on their sample floor a small gasoline threshing outfit that should interest every farmer in this vicinity. Their ad may be seen on another page in this issue.

A field meet between the Linn and Benton county schools will be held at Albany next Saturday. Spencer and Delbert Long will represent the Scio schools and will compete in five events. It is expected that a good delegation will go from here.

A ball game was staged at the Fair Grounds last Sunday afternoon between the local Odd Fellows and Knights of Pythias, but up to the time of going to press we have been unable to find anyone who is able to tell how many innings were played or which team scored the most runs.

Death to headaches, glasses fitted by Drs Lowe and Turner.

The \$55. range is now down to \$44.50. There are several wanting it and it will soon be snapped up. It is nearly down to the price I have been offered, so if you are going to get your wife a new range at a bargain you will have to watch close or it will be gone. At Morrison's.

Special Sunday dinners at the Scio Hotel.

R C Daniel has sold his farm near town to a gentleman named Bowerman from San Diego, Cal, and announces a public sale on the 28th, after which he and his sister expect to visit relatives in Washington and California before locating again.

Don't forget that on Thursday May 21st, Drs Lowe and Turner, eye specialists of Portland will be at Hotel Scio up to 3 p m. When you consult them you receive the benefit of their skill, professional guidance and many years experience as exclusive eye specialists. One charge covers entire cost of examination, frames and lenses. They have no agents and do not go from house to house. Don't forget the date.
