Baffling Old Age.

We have it on excellent authority that in a hundred years' time people will only suffer from old age just as we do now from bronchitis or tonsillitis or some other preventable disease. "I haven't seen you lately," our grand-sons will be saying to a man at the Twenty-first Century club, to which he will make reply: "Been seedy. Had a nasty attack of old age and have just come back from a little aeroplane trip to shake it off."—London World.

"Mother, I broke two eggs. Do you suppose that the chickens will be mad?"—Indianapolis News.
