SANTIAM FARM TOPICS

Geo Bilyeu made a trip to
Lebanon Sunday to visit
relatives.

Our Farmers Union is pro-
gressing nicely with 78 mem-
bers, and all seem highly
elated over our present an-
future prospects. To date
we have sent for over \$1200
worth of goods with a saving
of \$400.

Dr and Mrs Brown are
visiting their old uncle and
other relatives this week.
Also Mrs Ida Graham and
daughter Elsie of Woodburn
are having a time with her
parents and sister.

Now is your time to secure
some Himalaya berries at
the Santiam berry farm as
they are the best of all ber-
ries to eat, and you can have
them fresh every day till
frost at 15c per single gallon
or 20c delivered. You can
make no mistake in trying a
single gallon to be convinced.

Matt Smith who has a new auto took
Mr Sargent and wife and M C Gainer
and wife for a joy ride Sunday, going
to Brownsville and return.

Our neighbor, Mrs Lee is on the sick
list. Also Miss Jessie Bilyeu is ill.

Mrs Bell Alvord returned to Stayton
Monday morning after a visit with her
mother, Mrs S W Gaines.

David Horsburgh had quite a fire
Monday night when ten acres of slash-
ing burned. As there was a strong
north wind at the time it burned fer-
ociously.

John Gaines of St Johns came up
Sunday in care of his son Jurie of Port-
land. He had a stroke of paralysis last
week and is in a critical condition,
barely able to walk. He is at the home
of his daughter, Inet Stoddard, to at-
tend to some business matters. Jurie
returned to Portland Monday.

Love.

This I, moreover, hold and dare
affirm where'er my rune may go:
Whatever things be sweet or fair,
love makes them so; whether it be
the lullabies that charm to rest the
nursling bird or that sweet confi-
dence of sighs and blushes made
without a word; whether the daz-
zling and the flush of softly sumptu-
ous garden bowers or by some cabin
door a bush of ragged flowers.—
Alice Cary.

Study of Life.

Life has been to me simply an
opportunity to learn and enjoy and,
through my books, to share my en-
joyment with others. I have had no
other ambition. I have thirsted to
know things and to make the most
of them. The universe is to me a
grand spectacle that fills me with
awe and wonder and joy and with
intense curiosity. — From "Our
Friend, John Burroughs," by Clara
Barrus.

And It's Some Job!

man consists of keeping her age
dark and her hair light.—Phila-

If you have ever used Chamberlains
colic, cholera and diarrhoea remedy you
know that it is a success— Sam F Guin
of Whitley, Ala, writes, "I had mes-
sles and got caught out in the rain, and
it settled in my stomach and bowels. I
had an awful time, and had it not been
for Chamberlains colic, cholera and
diarrhoea remedy I could not possibly
have lived but a few hours longer, but
thanks to this remedy I am now well
and strong." For sale by all dealers.
