Elizabeth McCoy

Another pioneer has passed away. Mrs Elizabeth McCoy died on July 19 at the home of her daughter in Bilyeu Den 12 miles east of Scio, after a short illness caused by a stroke of paralysis.

Grandma McCoy as she was commonly known, was born in Ohio September 8, 1828, being at the time of her death 85 years, 10 months and 10 days old. She crossed the plains with her parents in 1845, and was married to John McCoy in June 1848.

She leaves one brother, one sister, two sons, three daughters, twenty-one grand children and fifteen great grand children, besides a host of friends to mourn her death. Grandma was respected and loved by all who knew her.

Words of comfort were spoken by Rev S B Cole, as he read the many passages of scripture setting forth the promises of God to those who obey him, and the Christian's hope of a part in the resurrection and a home beyond the grave. She was laid to rest in the Bilyeu Den cemetery. A large number of friends came to pay their last respects.

Cured of Indigestion

Mrs Sadie F Clawson, Indiana, Pa, was bothered with indigestion. "My stomach pained me night and day," she writes, "I would feel bloated and have headache and belching after eating. I also suffered from constipation. My daughter had used Chamberlains tablets and they did her so much good that she gave me a few doses of them and insisted upon my trying them. They helped me as nothing else has done." For sale by all dealers.
