### SANTIAM FARM TOPICS

Our long dry spell still continues, something we are not used to in this land of honey, corn and oil. We will soon conclude that Oregon has all kinds of weather the

same as any other country.

M C Gaines had a severe attack of biliousness which came near terminating in a case of fever, but is now pulling out o k. His good wife is still under the care of Dr Prill. Mr Gaines and wife went up to Cascadia Sunday with Matt Smith in his auto.

John Kinzer of Crabtree was up Sunday to Geo Bil-you's buying some pigs paying 7 1/2c a pound on foot.

The Pie Eater has decided to sell his fine favorite sorrel buggy and garden horse. Anyone wishing a good, reliable, safe sound horse, 1250 lbs, call in at the Santiam Farm. He is ten years old, not a blemish, good as a horse of six years.

Threshing and wood sawing is now the order of the day. Most all the grain is cut and is not yielding as good as was anticipated early in June.

Prices are soaring skyward since the war in Europe is still raging. Beef, pork, mutton, sugar and potatoes will soon be out of reach of the common people, so they will have to subsist on boiled hay for dessert.

Wm Smith made a flying run up to furry ridge one day the past week.

Oscar Philpott is moving his effects to his newly rented farm in the Richardson gap, the Walter Miller place.

It is a sight to see the wonderful amount of work that our road boss, Wm Richardson, is doing in the way of grading and graveling. More good work than has been done the past five years. Should he continue as road boss for a few years we will soon have fine roads.

We are expecting Curtis Griffin to arrive home any time as he intended leaving San Francisco Saturday morning and is supposed to be hitting the high places for the Santiam farm.

The Pie Eater and better half made a drive over to Albany Friday with his new matched buggy ponies, and found plenty of sun and dust and Albany moving along like a leaf on a stream.

Geo Griffin went to the mountains Monday morning for a few days outing.

The Santiam Farm has started up his wine and berry juice plant as he has plenty of Himalayas to make 100 gallon.

"Some 20 years ago I used Chamberlain's colic, cholera and diarrhoea remedy" writes Geo W Brock, publisher of the Enterprise, Aberdeen, Md. During all these years I have used it and recommended it many times and it has never disappointed anyone." For sale by all dealers.

The city is making a decided improvement by putting in new cross walks wherever they are needed, which is about all of the walks in town.

### Not So Strange After All

You may think it strange that so many people are cured of stomach trouble by Chamberlain's tablets. You would not, however, if you should give them a trial. They strengthen and invigorate the stomach and enable it to perform its functions naturally. Mrs Rosie Rish, Wabash, Ind, writes, "Nothing did me the least good until I began using Chamberlain's tablets. It is decidedly the best medicine for stomach trouble I have ever used." For sale by all dealers.

## Memoirs of Napoleon

In Three Volumes

The personal reminiscences of Baron de Ménéval, for thirteen years private secretary to Napoleon Bonaparte, bring out, as no history can, many enlightening and interesting side lights on the character of that greatest of leaders. De Ménéval's descriptions have the piquancy and interest possible only because he was an actual eyewitness of the scenes and incidents of which he writes. Their reliability and historical interest can be judged by the fact that the very conservative French Academy publicly recommends them.
