AND DON'T MAKE YOUR ONLY STOP IN PORTLAND

A liberal sprinkling of bores and anti-probi advertising will be noted in our columns this week. This advertising is accepted simply because the Scio merchants do not see fit to use our advertising space, and a newspaper must sell its space to some one in order to live.

Memoirs of Napoleon
In Three Volumes

The personal reminiscence of Baron de Ménéval, for thirteen years private secretary to Napoleon Bonaparte, being set, as no history can, many enlightening and interesting side lights on the character of that greatest of leaders. De Ménéval's descriptions have the piquancy and interest possible only because he was an actual eyewitness of the scenes and incidents of which he writes. Their reliability and historical interest can be judged by the fact that the very conservative French Academy publicly recommends them.

Even Now.
"Say, old chap, lend me a dollar, will you?"
After complying the lender suddenly has his memory refreshed.
"Look here!" he declared to the borrower the next moment. "Come to think of it, I lent you a dollar over a year ago and you never returned it!"
"That was odd."
"What was odd?"
"Dollar No. 1."
"What of it?"
"Well, this is dollar No. 2; that makes it even. See?"

Streets Swept by Convicts.
The public streets in the towns of Java are daily swept and kept clean by native convicts. They go to work chained together in parties of twenty or thirty under the superintendence of barefooted native soldiers, clad in ill fitting uniforms, who would instantly shoot their charges down if they tried to escape during their working time, when they are unchained.—Wide World Magazine.
