The Marlin "Pump" Action .22 Cal. REPEATING RIFLE

You can buy no better gun for target work and all small game up to 200 yards.

No. 20 rifle with plain lead, 15 of 25 shots, \$11.50.
No. 29 rifle, \$9.25.

Without change of mechanism it handles .22 short, long or long-rifle cartridges perfectly. The deep Ballard rifling develops maximum power and accuracy and adds years to the life of rifles.

The solid top is protection from defective cartridges—prevents gas from being blown back. The side ejection covers let ejected shells spill your head and allows quick, accurate repeat shots. With simple take-down construction, removable action parts—best parts of any .22—it is the quietest and easiest to clean. Just the gun you want! Ask any gun dealer.

The 128-page Marlin catalog will help you decide what rifle best suits your individual desires. Send 3 stamps for it today.
