## \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## Why Not Publish It?

When you want a fact to become generally known, the right way is to publish it. Mrs Joseph Kallans, Peru, Ind, was troubled with belching, sour stomach and frequent headaches. She writes: "I feel it my duty to tell others what Chamberlains tablets have done for me. They have helped my digestion and regulated my bowels. Since using them I have been entirely well." For sale by all dealers.

Our Farmers' Educational Union No. 102, met Sunday, making all necessary arrangements for the Union's dance and musical entertainment to be given Oct. 3, at the Bohemian hall at the Richardson bridge. This is intended to be the grandest ball of the day, with the best of vocal and instrumental music for two hours as an opening introduction, followed by the band of instrumental music for the dance, which will be conducted by Lloyd Tindall, John Brock and Wm Richardson. The Union extended a cordial invitation to the editor of the Santiam News and wife as welcome visitors, hoping they will enjoy life while with us, as he has promised all the patronage of the Union.

G A Griffin and wife returned home Friday from a trip over the summit of the Cascade mountains by way of the military road up the McKenzie. They encountered a week's storm of snow and rain, finding two feet of snow on the summit. They returned by way of the South Santiam road after helping Fred Sturges to cross the summit.

Oscar Philpott moved Monday to his farm in the Gap, rented of Walter Miller.

The big Fair is all over. We consider it a success so far as the exhibits were concerned, also the stock was fairly good, but O my, those disgusting horse trotting and pacing races. Everybody I have met were as badly disgusted with it as I was, as it was a fizzle.
